Accident spoils holiday visit

The happy Christmas gathering at the Ed Rudiger home, somewhat by an accident suggested by one of Ed's nephews.

Robert, the 12 year old son of Mr. and Mrs. Gerald Rudiger of Westlock, thought it a great treat to take his father and mother to the ski hill for a ride on the Rudiger kiddies new toboggan. The treat came to a sudden end when Robert hit a snow covered log, and both mother and son tumbled the toboggan.

The result of the mishap is that Robert will have one ankle in a cast for about six weeks. The other one swelled badly and did not require a cast.

The family gathering at the home of Mr. and Mrs. Rudiger included Ed's parents, Mr. and Mrs. J. H. Rudiger, Mr. and

"Good! I'll send you my cheque today!"

Most people today pay for goods or services by cheque — because most people have a bank account. It's difficult to find a way to transfer money to any person at any time.

The next cheque you put in the mail, or cash at the counter of a chequing bank, will be one of one billion that pass through the banking system each year. These familiar signs of paper represent the most of all financial products made today, and their fast, efficient handling by the chartered banks is essential to bank customers, linked to the whole economy of the nation.

To handle the ever-increasing flow of cheques and to maintain standards of efficiency in the banking system, the chartered banks have introduced magnetic-ink encoding to be used in high-speed electronic sorting. This new method, called MICR, is faster, more accurate and more efficient than the old system, and maintains your chequing account as one of the cheapest, most convenient bank handling services.

A GROUP OF LONGTIME RAILROAD friends gathered without warning at the home of Mr. and Mrs. J. B. Page on Saturday evening to honor Mr. Page on his early retirement from the Canadian National Railway. "J.B." started his railway career as a switchman on the Coal Branch "about" 40 years ago. From left to right Mrs. Verna McLeod, who presented Mrs. Page with a bouquet on behalf of the railway wives.

Mrs. Page and Mr. Page, Locomotive Foreman Fred Johnson, who presented Mr. Page with a traditional purse attached to a lengthy typed résumé of fellow and former railroaders who are now dispersed over the C.N. system. Mr. and Mrs. Page will continue to make their home in their favorite town and wish to express their thanks for the thoughtfulness of so many of their friends.

Storybook world opens for local girl

Some months ago The Leader ran a story about a home town girl, Marlene Larson, daughter of Mr. and Mrs. H. V. Larson, who found herself in a fairy tale world of having been chosen out of the blue to star for five days as a part of the Rex Allen show during the Bremerton, Washington, stampede.

Since that time, and as a result of being spotlighted by Rex Allen and his manager, Wilson Self, good things have continued to happen to Marlene.

She appeared on the KING Seattle program "Tele-movie" which was televised from the world famous Space Needle.

With other girls she modelled sports clothes, wigs, etc., on a week long tour of San Francisco and Oregon cities. From this and other shows Marlene feels that although she hasn't made a fortune she has gained a wealth of experience, a wonderful wardrobe, many new friends, travel and sightseeing with the best of accommodations and cheap meals.

After her modeling experiences Marlene was featured on a number of television commercials for various food products. Marlene says she now appreciates every commercial for she has a true knowledge of the amount of work that goes into a three minute commercial.

During the same time Marlene decided to cultivate her natural abilities and took up music, dancing and art. Her artistic ability has led her to appear in the Rex Allen show and she has been chosen to appear in the Edson show and plans to visit Edson at that time.

Marlene hasn't forgotten Edson by any means. She is busy with school. She is to appear in the Edson show and plans to visit Edson at that time. The Leader joins with her friends in congratulations to Marlene and best wishes for a continued bright future.

SCHOOL CHUMS and other friends of Marlene Larson are following with considerable interest the exciting events that are a part of her life since last August when she went Bremerton, to visit her grandparents. Marlene is the daughter of Mr. and Mrs. H. V. Larson of Edson.

TO SAVE YOUR BACON

The dining young man on the dining room floor through the air with the greatest of ease because he knows that he is an emergency case and he will save his bacon. This fact is well placed. If you have placed your insurance through an independent insurance agent, you will be able to do so through life with the greatest of ease, and you will have the best policy in the world for you and the level of all aspects. Whether you are a young man or a woman, you will find that in the first place, your independent insurance agent will work for the company he works for. He will represent several of the strongest, most reliable insurance companies on the land. He has all the latest information on policies and his fingerprints. He can not only save your bacon in all emergency, he can save you money by helping you select just the right policy to suit your needs. He will be able to give you the best insurance agent you can have in your local insurance agent.

"The Great Escape" showing at Edson Theatre

Edson movie goers are able to enjoy some particularly good features at the present time. One of the best rated ones is John Borge's "The Great Escape," which will be showing at the Edson Theatre for two days starting January 13th. An extra long feature, there will only be one show each evening starting at 7:15 p.m.

The Great Escape is the true story of the mass break out of Allied forces from German maximum security prisoner of war camp during World War II. It was filmed featuring its authentic prison camp in Germany.

With the Scouts

The Edson Boy Scout Troop will hold their regular meeting by meeting Tuesday evening at 8:20 p.m. at the Boy Scout room after the hockey rink.

Senior Patrol for January 13th, Dick Gardner, 71. Their Patrol, Eagle.

Last week the Scouts were sent on a week long patrol at Mount Carleton. The patrol was led by Scoutmaster J. J. Lavin.

Impressed with Edson

Mr. and Mrs. Bill Martin and family have been enjoying the air with the greatest of ease because he knows that he is an emergency case and he will save his bacon. This fact is well placed. If you have placed your insurance through an independent insurance agent, you will be able to do so through life with the greatest of ease, and you will have the best policy in the world for you and the level of all aspects. No major school building in prospect

One novelty of the annual reports to be submitted at annual meetings for the various sub-divisions in Edson School Division No. 13 this year will be the prospect that major construction is not pressing in any part of the division.

This novel situation is worthy of comment as it is the first year since 1955 that major construction will not be urgently required.

Two nominations and the calling of an election are announced by Returning Officer D. S. Rhinall of the School Division.

Trustee A. W. Leonard, who has represented Edson Sub-Division No. 41 for three terms was re-elected by acclamation to a fourth term.

Harry Kerslake of Hinton was elected by acclamation to fill an unexpired two year term for his area of Sub-Division No. 1.

Mr. Kerslake, who has been nominated in the past by the voters of Sub-Division No. 1 at Hinton, has been elected as trustee for his Sub-Division.

Balloting will take place in Hinton at 7:30 a.m. on Feb. 12 for the following schools:

1. Feb. 12th, 1965 - Hinton Central School at 7:30 a.m.

2. Feb. 12th, 1965 - Hinton Central School at 8:00 a.m.

3. Feb. 12th, 1965 - Hinton Central School at 8:30 a.m.

Fun on ice Edson Weather set for Friday

The Edson Weather set for Friday night is shown on the 11 p.m. day evening in the arena. The program is one which should provide entertainment for all of the family. It will consist mainly of news for the children and of acts who will make a family evening.

Helping to round out the evening will be a challenge between the Edson and the Lanes Club. There are always good prizes for the winners.

Annual meetings have been scheduled for sub-divisions throughout the division.

The times, dates and locations are:

1. Feb. 12th, 1965 - Hinton Central School at 7:30 a.m.

2. Feb. 12th, 1965 - Hinton Central School at 8:00 a.m.

University Chorus to give Feb. performance

The local Home and School Association were Edson music lovers to put a little in the calendar around Friday, Feb. 12, for this is the date set for the appearance of the University Chorus.

The group of more than 100 mixed voices will give an afternoon performance for students as well as the evening performance. Professor H. S. Bann, director of the Chorus, feels that the afternoon performance will reach more young people than would likely attend an evening performance. He said the group always looks forward to performing to a young audience.

As is usual in their past years, the chorus will be singing in the arena for the start of activities at 7:30 p.m. and then will sing again at 8:30 p.m. The chorus are held in the High School.

Anyone interested in taking the course are asked to contact Mr. Jan Scott at 3-5654.

Bookkeeping class starts

An announcement from the Home & School will interest those who wish to take bookkeeping in the Adult Education program. Bookkeeping classes will be starting this Thursday, January 28th at 7:30 p.m. The classes are held in the High School.

Anyone interested in taking the course are asked to contact Mr. Jan Scott at 3-5654.

ACCEPTING THE Universal Motors Trophy from donor Jack Haderik, Richard Blalock and his right were Grand Challenge winners in the High School bungalow last weekend. Left to right are Mr. Haderik, Ship Blalock, John Maguire, Carol Sommerville and Joanne Robinson. They defeated the Dale McIntyre risk to win the trophy.

The Edson Leader

The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT

FIRST SECTION
Edson, Alberta, Thursday, February 6, 1964 Vol. 12, No. 6

THE HONORABLE NORMAN WILLIAMSON performed a pleasant duty last Saturday afternoon, when with Town Councillors and other guests present he presented a historical register to Mrs. V. Ragan, Mayor of Parkland Lodge. Residents of the Lodge will be asked to record in it some of the events of their lives.

Zoning schedule being prepared for I.D.'s

Report on a meeting by Mayor W. R. Brunelle and Sec.-Mr. R. C. Gregg with officials of the Department of Municipal Affairs in Edmonton recently was given at the regular meeting of the Edson Town Council last Tuesday, January 21.

The Department is concerned over the matter of control of development in the fringe area and the officials indicated that they would proceed with a preparation of a zoning schedule for portions of Improvement District No. 95 to coincide with the implementation of the Town zoning by-law.

The application of Mr. R. Park to Town zoning, shown with estimated costs of the proposed project, was placed before Council. Mr. Vanden is to be advised that Council is prepared to discuss proposals of further if the applicant, upon examination of actual plan.

Everybody a winner in Kinsmen 'Fun on Ice'

The audience was small, but they were fun games for the participants last Friday evening, when the Kinsmen Club held their annual Fun on Ice.

Getting underway at 7:30 the youngsters got in the set with straight and relay races for various age groups.

A variety of adult races with Kinsmen participating followed. These gave the audience a laugh as some of the skaters found the going a little slippery.

A few for adults were held as Edson's hockey stars of a

few years back showing they still had what it takes as they skated around the ice in a relay race. These were followed by a relay race in the relay race. This was really hilarious as four out of five didn't always want to move and finally struggled over the finish line, but the fourth one barely got started.

The relay race was followed by the audience game. In this game of five men each took their turn to be skated around the rink. The most interesting race was the relay race, although they

on skaters and in this way help to preserve some of the history of Alberta. Taking part in the relay race were left to right above: Councillor Alva Gledhill, Mayor W. R. Brunelle, Mrs. Ragan and Mr. Williamson.

Mixed Chorus here this Friday

Went has been received by the local Kinsmen & Edson Association in the effort that at eleven more hand will soon join the University Chorus.

Edson Band to sponsor ACT Talent Show

The Edson Band in conjunction with the Alberta Tourist and Travelers and ACT Bands have set the date of March 14th for the ACT Talent Show to be held in Edson.

More information as to where to pick up contestants' applications will be released in the future.

as one would imagine, but even the audience had some heavy laughs at the expense of the contestants.

The final entertainment of the evening was the team ball game between the Kinsmen and the Lions. This was a very close game, with the Kinsmen winning by a score of 1-0. The game was very exciting and the audience was very interested in the game. The Kinsmen's victory was a well-deserved one, as they had been in a losing streak for some time.

Kincyles depends on fickle weather

The Kinsmen Carnival committee are keeping their fingers crossed for cold weather at the month end as plans go ahead for the annual Kincyles. The two day show is not for Friday and Saturday, February 23 and 24.

Eighty local skating stars are practicing diligently under the direction of Mrs. Kim Herring as skating acts are put together to form this year's show, "Showboat."

The three carnival queen candidates and their ticket sellers are working like mad to outdo each other at ticket sales. The girl having the highest number of tickets sold becomes the Queen of the Carnival. Candidates are Judy Worlton, Linda Gotschick and Beth Miller.

Cool Brunch old timer passes away

Mr. Ross Sander, a long time resident of the Cool Branch, passed away in Calgary at the age of 84. He was the widow of Mrs. Sander, a well known pioneer in the development of the coal mining area of what is known as the Cool Branch.

Mrs. Sander, a resident of Edson for the past several years, passed away in Calgary General Hospital after a brief illness, while visiting relatives. She is survived by one son, Herbert in Calgary, three grandchildren, Mrs. Myrtle Sander, Mrs. Carol Sander and Mrs. B. Gledhill. She was born in 1880.

The funeral service will be held from the Edson Funeral Home Chapel on Saturday, February 14th at 2:00 p.m. Rev. G. A. MacPherson will officiate and cremation will be made at the Family Plot in Greenwood Cemetery.

Edson Funeral Home is in charge of arrangements.

Leadership course offered

A leadership course is being held at the district point where the best ten days there is no charge for the course and all interested are welcome to attend.

The one day course covers preparation of a parliamentary procedure, the role of a speaker, etc.

The course will be held at the Edson Hotel at 10:00 a.m. on February 14th and 15th. It will be held on Tuesday, February 16th starting at 10:00 a.m.

Hospital group entertainment

The monthly meeting of the Ladies Auxiliary to St. John's Hospital was held in the Health Unit office. At that time further plans were discussed for the winter party which will take place on Friday, February 14th at Parkland Lodge. The public is cordially invited to attend the party which starts at 7:30.

Plans were also discussed for the winter party which will be held at a future date.

Ideas needed on centennial

People with ideas for Edson's part in Canada's Centennial celebrations are urged to put their ideas in order and use them at the representative of the celebrating meeting set for Thursday, Feb. 12.

The meeting has been called by the representatives from local organizations and is scheduled to be held at the Centennial Committee offices in the Town Hall.

The meeting will be held at the Town Council and will be held in the Town Council Chambers in the Town Hall.

Canadian Opera to return for 2nd appearance

The feature attraction of the 1964-65 Festival of the Canadian Opera is the return of the Canadian Opera Company to the stage. The company, which has been performing in the United States and Canada, is expected to return to the stage in the Town Hall.

Letters to the Editor

Dear Editor:

I wish to express my appreciation and gratitude, and that of all postal employees across Canada, for the fine cooperation of press, radio and television during the extended mail delivery period just prior to Christmas.

While there is undoubtedly a great deal of mail to be sorted and delivered, it is a fact that the postal employees are doing a superb job of handling the mail. The postal employees are doing a superb job of handling the mail.

Alberta seeks more control of fishery resources

The Alberta government has asked for more provincial control of fishery resources at a cabinet meeting in Ottawa.

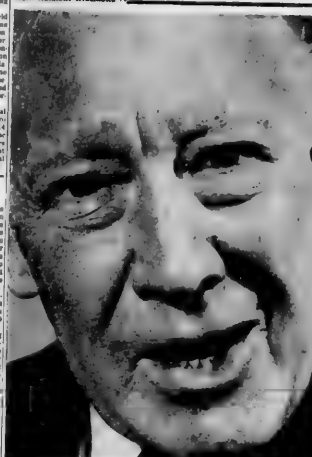

Lands and Forest Minister Norman Willmore said Alberta is not satisfied with the current federal control of fishery resources.

"With gas you get service — no doubt about it"

"Any time I have had dealings with the Gas Company they have certainly made every effort to provide satisfactory service."

When you are the only Gas Company serving the residential customers in a community, the responsibility to give good service is great. Northwestern is very conscious of its responsibilities to give good service and extend service to new communities where it is economically practical.

We must also plan ahead so there will be plenty of natural gas for the future — and in all this, carefully control costs so we can continue to provide Alberta consumers — large and small, with the best possible gas service at the lowest possible cost.

Your investor-owned gas utility serving Albertans since 1929

EDSON WAS ABLY REPRESENTED a couple of weeks ago when the Greg Symington rink entered the Zone 18 playoffs at Westcott and won the right to represent this zone in the British Columbia. The Edson rink was up above and from left to right: Skip Springgarn, Larry Elmerston, Ted Vaenema and Del Holmgren. Bottom row left to right is the defeated Dryden Valley rink: Skip Dr. Hank Shimshak, Bill Sandgren, Ray Siro and Matt McMillan.

Robb News
Mr. and Mrs. Lorne and daughter of British Lake have taken up residence in British Columbia and returned to Edmonton Monday evening.
Like our neighbors around us, the Robbs have been enjoying and enjoying the weather and Tuesday when a storm struck again. Robb took them fresh back once again. However the weather still remains very mild.
Mr. Mike Fisher who has lived in Alberta since he served as a volunteer at Wagner Landing's in a fire, has arrived home from an Edmonton hospital. Mr. Fisher has been in the hospital since he was a visitor in the branch over the weekend. He was accompanied by Mrs. Fisher and Mrs. P. Fisher. Hope you will see him back in good health again.
Mr. Pete Achenbach is still waiting for a new car which he had a while ago.
Mr. Del Black is back in town again since his accident on the beach recently.
Miss Elizabeth Thibodeau spent the weekend at home with her school friend Mary Lou Fink.
Congratulations to Peter and Lorne who are celebrating their 25th wedding anniversary. Mr. and Mrs. Edson and family were not recently in town but are expected to be back soon.
Mr. and Mrs. Edson are spending a week in the mountains. Mr. Edson is in the University Hospital in Edmonton where he has undergone a major operation on January 15th.

Teen and Herd

BY BEN
We did it. That is the story, and there's a good reason for it. The story is that a group of about 1500 people, mostly young people, but not all, gathered in the town of Edson on Thursday night. The story is that they were there to see a band of young people, the "Herd", who were performing in the town. FIRST SECTION Edson, Alberta, Thursday, February 13, 1964 Vol. 12, No. 7

Council calling meeting on ARDA proposal for area

A meeting of interested organizations is to receive the active cooperation of the Edson Town Council for the purpose of discussing the Alberta ARDA program. It was decided at the regular meeting of the Edson Council on Tuesday evening, February 10, that the ARDA (Agricultural Rehabilitation Development Act) meeting has been called for Wednesday, February 18. Discussion will take place on the establishment of a rural development area in the Edson region.

The same meeting of the Council decided to forward a letter to Mr. Sykes of the Department of Public Welfare endorsing the stand taken by Town representatives opposing any increase in fees charged at the home for the aged.

Present at the meeting were: Mayor W. H. Brunelle and councilors, M. E. Colla, W. F. Korman, J. Scott and W. W. Wells.

Mr. W. W. Wells addressed the Council on his proposed plan to build a new sewage treatment plant for the 1960 sewage were placed in the sewer. Mr. Wells is to be employed as pool supervisor at a salary of \$200.00 per month for the 1960 pool season and that arrangement be made for interviews with other pool staff employees.

Special section devoted to new building opening

The third section of this week's Leader features the grand opening of the new Murray Building which is across from the Post Office on Main Street.

Sherry's Super Drug in their new premises features several "bigger" features which can be read about by turning to the special section, pictures and advertisements in our third section.

Bar Cola in their new quarters are well worth a friendly visit while you're at it.

Another indication of a growing Edson.

Mrs. J. Kohler dies at 66 years

Mrs. Katherine Kohler of Edson passed away on February 12 at the age of 66 years. She was born in the town of York, Ontario, Canada, and was married to Mr. J. Kohler. She was a member of the Methodist Church and was active in church and community work.

Funeral services were held from Bethel Presbyterian Church in Edson on Wednesday, February 12 at 10:00 a.m. The Rev. J. B. Hainwell officiated. Burial was in the Edson cemetery.

Craft Centre activities

Entered slides on the new craft centre in Edson. The centre is a new building which was recently opened. It is a place where people can learn about and practice various crafts. The centre is open to the public and is a great place for people to learn and create.

Writing classes will begin on Wednesday, February 18 at 7:30 p.m. The classes are for people who want to learn how to write. The classes are free and are open to all.

Folham H&S

hears talk on insurance

The February meeting of the Folham Home and School Association was held on February 10th in the auditorium. There was a much smaller attendance than had been anticipated.

Mr. Gellitz was guest speaker and outlined for those present the insurance coverage given the students attending Folham School. He also assured the members that the school which had officials at the insurance meeting, had been advised.

The matter of school photographs was discussed again and the potential was stated to be would help with this. The members were assured of his cooperation.

Ways of raising funds were discussed and it was finally decided to have a blimp on Friday, February 20th at Folham — 10¢ per card.

A motion was passed to have the secretary pay \$100.00 cash for cash help. Following this the meeting adjourned and a social hour was enjoyed over coffee and lunch.

VIEW GIVES SOME IDEA OF THE ROWS AND ROWS OF DISPLAY COUNTERS IN THE NEW MURRAY'S SUPER DRUG

Faith in Edson's future evidenced in big store

"Edson is a natural geographic hub and will increasingly draw business all the way from Edmonton to Jasper," Randall Murray answered when your editor asked him if he had any qualms about embarking on his big super drug store project.

"More and more people are realizing that our merchants in Edson do have terrific deals and that's what keeps Edson growing," the energetic young merchant added.

Randall Murray and his wife Donna and their growing family of 1 boy and 3 girls have made themselves very much a part of Edson community since coming to Edson nine years ago. Mr. Murray had just spent a year at Mayfair Drug in Edmonton following graduation in pharmacy from the University of Alberta.

The modern, centrally and centrally on 13th and 50th on the lot with 70 feet facing on Main Street. The new store will be a 10,000 sq. ft. building.

The well known firm Knebel Co. Ltd. of Edson and Jasper, supplied all the new fixtures, plumbing, electrical and heating work for the building.

The north side of the ground floor contains the drug store while a south entrance opens into the Pharmacy on the ground floor and the building will be a 10,000 sq. ft. building.

Murray's Super Drug has the name of the well known Edson Drug operation.

COFFEE EACH NIGHT
Coffee and doughnuts will be served each evening during the grand opening week of February 15 to February 22 from 8 to 11 p.m.

EVERYTHING BIG
Some of the items and prices about the new \$100,000 store, which says Mr. Murray, is the largest independent drug store in Canada, include:

The ten lines of fixtures in the store are all of glass and metal. There is one aisle of fixtures and the rows of the newest light bulbs include two kinds of a mile!

The huge supermarket contains the most complete selection of magazines and pocket books in Alberta (most to "Mile") in the city. There are over 500 magazines to choose from and over 600 titles of pocket books.

Some 400 different items (about 15 of each) make the entire store a vast department for the well known Edson Big Sale on the ground floor in addition to the huge super drug store.

Previous has been made for a ten alley parking area for the new store facing of the (Murray's). To be known as the Thunderbolt (Edson) store.

DISPENSARY MOST IMPORTANT
The "heart" of the drug store — the dispensary — features the latest in medical equipment. The drugs needed to ensure good health are well stocked and opening days for a most important job, says Mr. Murray.

COFFEE EACH NIGHT
Coffee and doughnuts will be served each evening during the grand opening week of February 15 to February 22 from 8 to 11 p.m.

Your most
precious
possession

Good health is your most precious possession. To guard it you rely on your physician. You have confidence in him because of the years he has devoted to acquiring the knowledge his profession demands.

You know that he is constantly alert to new treatments and techniques that are being developed to maintain the health and ease the suffering of his patients.

Your pharmacist, too, is a professional man. He has spent years at his College and Pharmacy equipping himself to serve you in this specialized field. When your doctor gives you a prescription, he knows your pharmacist will compound it with skill, using ingredients of the highest quality. In this vital health service your doctor and your pharmacist are partners.

For your convenience, your pharmacist carries a complete stock and his training and experience enable him to help you in all things pharmaceutical.

The history of
Chinese dishes

The oldest civilization in the world has a variety of savory, sweet, and spicy specialties, perfection of taste that is the pride of the world's palate.

One of the most widely known "Chinese dishes" is Chop Suey — the word signifies "fried vegetables" — but many more varieties are in Chop Suey here and there. Many people have named a great culinary and beautiful opportunity. Made from vegetables and this month's hottest specialties, fresh or bamboo shoots, bamboo mushrooms and other fresh vegetables, flavored with young chicken, tender pork or some head, etc.

Chop Suey is not only delicious and tasty but has a nourishing and health value which sets it well to the fore in comparison with other foods. With Chop Suey is served a sauce made from the Macdonalds Soy Bean — a more perfect sauce. This bean is in itself a perfect food and in addition makes a particularly appetizing and satisfying sauce.

Do not tell a child, "It tastes like candy"

This may be true when giving him medicine, but it is not candy and should not be eaten by mistake. Other tips for administering medicine to children from accidentally ingesting medicine.

(1) Look up parents, checking pills, aspirin, oral tablets and other drugs in a bathroom cabinet. If oral tablets and in capsules on the bottle before administering medicine. (2) Always shake bottle thoroughly before measuring liquid medicine. (3) If empty all contents from the bottle before turning it upside down to get rid of all left over medicine that were per-
mitted for temporary use.

Tips on use and care of medicine

Murray's recommendations on the use and taking of prescription medicines includes the following tips that are always worth remembering: at the label and read the NEVER INCREASE.

The dose of take more frequently than directed.

Medicines originally pre-
scribed and intended for
adults.

Never take medicine in the
bath.

Always hold label side up when
pouring from a bottle.

CAUTION: Keep all medicines tightly
sealed and out of reach of
children and patients.

Keep all poisons and pre-
scriptions for external use
apart from other medicines.

your passport
to health
and happiness

What do you intend to do
with this treasured symbol of
your doctor's competence and
care?

The answer is obvious. You
will have it compounded, of
course!

And may we suggest, at this
point, that you select your
pharmacy as carefully as you
choose your physician. It is in
this way of choice that you
can compound a per-
fectly compounded and phar-
macy can write now. But there
are dangers in selecting an
establishment such
as the reliable pharmacy,
where prescriptions are a
primary interest.

The pharmacy with a large
prescription volume is en-
abled to carry ample stocks
including all of the newer
specialties so that even the
most complex prescription can
be compounded precisely as
directed — and without delay.

Then, too, this large volume
allows economies, which are
chiefly shared with our patients.
Each prescription is fairly
priced according to accurate-
ly determined costs.

The renovated arena would have an ice surface of 195 x 85 feet compared to the present 172 x 75 feet and would be covered with a concrete floor making it appropriate for use 12 months of the year. It is therefore our hope that you, the taxpayers, will endorse our proposal and provide Edison with an arena that the people would be proud of and also provide our youth with facilities worthy of their use.

UP AT THE RINK

Dick Fontaine skipped his rink in victory in the Edson business mixed league. The boys' rink, Ted Hain and Jerry Hain were the other members of the rink. Johnny Watson's rink took second prize in the "A" event.

Playing with him were Ivy Anderson, Art Bergman, and Harold Jentner. Mel Hain skipped his rink of Lou Hain, Earl, Jan Newman and Alan Newman in the "B" event.

Carol Knips skipped the second place rink. She had three skaters, Joe Knips and Beverly Knips. The "A" and "B" event trophies were donated by Dick Fontaine.

Men's Skating Club:
No games are scheduled for next week as the ice has to be resurfaced for the men's open league.

A WELCOME TO VISITING CURLERS

The Edson Leader
The Voice of Edson Community
and WESTERN WEEKLY SUPPLEMENT
Edson, Alberta, Thursday, February 20, 1964 Vol. 12, No. 8

Annual men's spiel limited to 48 rinks

The Edson Men's Annual Open Rouspel continues to draw the full limit of 48 rinks. The first was filled by February 9. Thirty local rinks and eight from out of town will compete for the prizes in four events. Curling will start at 8 p.m. Thursday and continue to 10 p.m. Friday, except for a break from 2 a.m. to 7 a.m. Friday.

The availability of only four sheets of ice combined with the attempt to keep the tournament a weekend affair, has limited the tournament to 48 rinks. The executive of the Edson Curling Club wish to extend apologies to the numerous local curlers who were unable to enter the spiel due to this limit. It is planned to extend the spiel after artificial ice becomes available at the Edson arena.

The 18 visiting rinks are as follows: seven from Hinton, five from Edmonton, three from Whitecourt, two from Wildwood and one from Breton.

A big banquet is scheduled from 8 to 7 p.m. on Saturday in the Sacred Heart Catholic Parish Hall.

Spectators are reminded that there is no charge for watching the games. The final will be played at 8 p.m. Sunday.

Ratepayers meeting set for Monday

The annual meeting of Edson ratepayers is scheduled for 8 p.m. in the Legion Hall this coming Monday, February 24.

Financial statements of the operations of the Town for 1963 have been in the hands of taxpayers for over a week for information purposes.

Projects in mind for the coming year are usually debated by citizens attending following reports by individual members of the Council and the Town administration.

This is the ideal time for all Edsonites to discuss their own affairs.

Oldtimers social this Friday

Members of the Oldtimer and Younger Assoc. are looking forward to the annual rouspel, planned for this Friday evening at the RLL Hall.

The socials are particularly well enjoyed with cards, sing, dancing for those who enjoy it and one of the real good friendships for all.

Refreshments have been sent by the executive, but members are reminded of this pleasure evening is open for them.

Ladies rinks win at Hinton

Of the four rinks from Edson, the Edson Ladies Curling Team won the Hinton Ladies Curling Tournament at Hinton last weekend. Two were awarded as bringing home prizes. Very Dimpsey and her rink won 2nd in the Grand Club House Open. Other rink members were Madam Ritz, Perkins, Rose M. Marie and Anne Thomas.

The rink skippered by Mrs. Carol Kestyn won the dubious honor of having been knocked out first and were awarded crying towels. Rink members of the Kestyn rink were Mrs. Madam Ann Clark, Edna May and Mary Dimpsey.

Other rinks taking part in the Hinton spiel were those skippered by Mrs. Tony Goss and Mrs. Harri Rykman.

Father and Son banquet a decided success

The blustery stormy weather outside did not upset any of the guests attending the annual Boy Scout Father and Son Banquet last Tuesday evening. The mutual pride of father and son was very evident in broad grin of approval, beginning with a most satisfying supper of roast turkey with all the trimmings.

Acting as co-chairman for the evening were Mr. Walter Buchanan and Mr. Allan Bonmouth.

In keeping with the theme of National Week, the very active W. H. Bonville, President, and how it could benefit the Boy Scout organization - locally and district wide.

Former Edson resident, Mr. Art Krummenauer, made kindly the need for a father the need for a son.

Mr. P. J. Poirer, Assistant Provincial Commissioner for the Yellowhead District, made sure his audience was aware by leading them in a song. Memories of "We must be in 'Chapin'" rang with barrel organ sound of folk, will be revivified with many a cheer.

Mr. Poirer stressed the necessity of a national physical fitness program if Canada is to remain a nation of physical fitness. We are a nation of

FATHERS of Scouts and Cubs had a chance to see some of the things their sons were learning following the Father and Son Banquet on Tuesday evening. One of the items on the program was a demonstration

of Judo by some of the boys. Mrs. Harold Wynne and Tim Curren have the spotlight while Cobe look on with interest from the sidelines and some of the older boys wait their turn.

Herb and Durren drove to Edmonton Monday on business.

Mr and Mrs Bruce Rowley, Dickie and Jack Heints spent the weekend in Calgary.

Several local folks attended a house party in the Shining Hank Area Saturday night. All passed a good time.

Related best wishes to Mr Young husband "Who arrived home last night" wife carried me with a kiss. She had a swell dinner and afterward she refused to let me help her in the dishes, but made me in the living room and in the paper."

Letters to the Editor

Dear Editor:
To the People of Edson
You are interested in the
people who constantly com-
plain about our town? If
the answer is yes, have you ever
taken a definite stand and
done anything about it? And
at the small number of people
who turn out to vote on Civic
matters.

Are you one of that exasperated
type who are you one of those
people who constantly com-
plain about our town? If the
answer is yes, have you ever
taken a definite stand and
done anything about it? And
at the small number of people
who turn out to vote on Civic
matters.

Perhaps your arguments are
valid. What is gained by attend-
ing a council meeting when
you can do nothing but sit
and keep his mouth shut and
listen to previous arguments
that have been made for him
to vote on them. (2) Even if
you do complain in the right
place he is often ignored.
If this is so, and we don't
particularly agree to it, all
the more reason to take a
definite stand and the resulting
action taken.

Monday, February 23, at
8 p.m. there will be an an-
nual meeting of the Edson
Leagues. If you are
only public opinion and be-
lieved in "our town" you
can't be.

For the first time, enough
about something like a stand
being taken. It is almost
this meeting on Monday and
your opinion here.

12 — EDSON LEADER — Thursday, February 20, 1964

A variety in the Orkney called in an old woman sitting on a porch. "How far is it to the nearest town?"

"The nearest town is about 10 miles away, and about 12 back," she answered. "Which is to say, it's about 22 miles from here."

CBC program brings memories to 1st war vets

Edson residents listening to the CBC between 12:30 and 1:00 on Sunday would have heard some of the remaining members of the famous old World War I group of entertainers. The "Doughboys" were not only entertained the troops but took a leave of absence and brought the home down to London as well. Following the war they came to Canada where they played headliners in the 1920s.

The "Doughboys" were headed by Captain "Frankie" but only entertained the troops but took a leave of absence and brought the home down to London as well. Following the war they came to Canada where they played headliners in the 1920s.

1963 another good year ratepayers hear

Something over fifty ratepayers turned out to hear that Edson Town had had another good year. Members of the Council and the administrative staff reported that Edson is in good shape at the annual meeting in the Legion Hall Monday night.

While last year's budgeting was for a deficit of something around \$15,000 when the final count for the year was in there was a modest surplus of \$4,000.

New building increased the assessment of the town by around \$600,000 and progress on streets and other improvements, while held down due to increased school requisition and other costs, received enough attention to enable the Town to report another year of progress.

Due to space limitations a detailed report of the meeting will be carried in next week's Leader.

Co-ordinating Centennial tonight

The meeting called earlier by Council for representatives of all organizations and interested persons, are reminded that a meeting called earlier by Council to establish a Centennial Committee is scheduled for 8 p.m. at the Legion Hall.

The meeting which will be held at the Town Building Council Chambers will try to formulate and carry out plans for projects related to Canada's Centennial year. It is hoped that anyone with suggestions as to the form they think Edson's observance of Canada's birth year should take will come out to the meeting.

'64 Kincycles set for weekend

The die has been cast — Kincycles of '64 will go whether it gets warmer or not. Over 80 skaters under the direction of Mrs. Kim Irving practiced as much as they have had a chance during this short winter.

The young people of Edson will present their ice version of the famous "Showboat" in the Edson Arena on Friday and Saturday nights, February 28 and 29 beginning at 8 p.m.

The ice spectacle will take place with background scenery produced by Kim Dick Fontaine and committee and gives promise of being up to the high entertainment standard of previous years.

Kincycles Committee chairman Tony Grant would not reveal their identities but a couple of skaters have been practicing a comedy act that promises to enliven proceedings considerably.

There will be no matinee on Saturday afternoon as attendance has been poor in previous years. Crowding of the 64 Kincycles Queen will take place during the Saturday evening performance.

Admission four life tickets for adults, two for students and one for children under 12. Proceeds will go toward Kincycles community projects during the year.

JOANNE LABALZO and BONNIE MCINTYRE

LINDA JUDY BETH

Saturday night is set for counting votes for the three lovely young Kincycles Queen Candidates. Linda Garbush is ahead of her two fellow candidates with 275,000 votes while Judy Worton is next with 265,000 votes and Beth Miller is next with 118,000 votes. Both being sponsored by the Edson Central High School, Judy by the Edson Junior High School and Linda by the Edson High School. Final vote count will be at 8 o'clock this Saturday. The evening will take place during the Saturday performance with last year's Queen Karrie McDonald doing the honors.

A TIRED, BUT JUBILANT CREW the Ed Zets risked Whitcomb except from Bart Kuefer, manager of the Commodore Hotel, the Commodore Hotel Trophy emblematic of curling supremacy in the Edson area's Open Skating. Besides the trophy, the Grand Challenge winners took home golf carts as the biggest prize in the popular Edson event. The Whitcomb

Isomere defeated the Bart Hansen rink from Hinton to win the honor. Left to right above are: Bart Kuefer, Skip Zets, 3rd Dave Babin, 2nd Al Miller, 1st Lead Al Dirks. Other members of the Hansen rink, were: 2nd Elmer Patrick, 2nd Al McHenry, Lead Bill Switzer.

CURLING BOSPITAL

KANGAROO

The bospital banquet, which

was ably conducted by Mayor
of Edmonton, Art Leonard
was held in the basement of
the Roman Catholic Church.
Lutheran minister Rev. G. P.
Westwood said the bospital
ed out of the bospital. Mrs.
John Westwood was a curler
wash job at Will Huppert's
Shell Service Station for her
ing the dirtiest car on the
racking lot.

Mayor Shad Brucelle was
present, the visiting and local
curlers. He made use of the
superiority to maintain the
forthcoming phibitions to do
determine whether an artificial
ice plant would be installed

ed at the Edson Arena. He
stressed that with the avail-
ability of money and skill the
local bospital would be
ever have to limit the num-
ber of entries to just forty
eight risks but could possibly
handle a hundred or more in
the future.

President Ted Youngman pre-
sented a special curling trophy
to the oldest life member

any others interested.

Edward Meury pointed out
that since his rink eventually
won the game that his team
some had lost the peace but
had won the war.

An Leonard complimented
the curlers, the curlers
and the curlers and the curlers
for the work that they
had done in preparing for the
bospital. Each visiting ship
was then offered open to be

The most popular motorcycle in history

Since this dependable model was put on the market in 1958, more than 2,500,000 have been sold in over 70 countries around the world. It's the most economical motorcycle anywhere — an unbelievable 90 km per liter.

Add to this superior design, delightful colors, centrifugal clutch, dozens of other pleasing features adopted from larger Honda motorcycles.

R. Mahon heads Centennial Committee

At a meeting called last Friday night by the Edson Town Council, Roderic Mahon was chosen to be chairman of a centennial committee, which will be devoted to selecting a way for Edson to celebrate Canada's 100th birthday.

Following Mr. Mahon will be Rod King as first vice chairman, James Jackson and Lawrence Peter Nordok as public relations and Sam Sloan Stewart as secretary.

In his first meeting, representatives of the various organizations of the town, Edson attended the meeting. Various ideas were suggested among them, student exchange with western Canada provinces, botanical gardens, a museum and development of local parks.

Nothing definite can be decided upon until more information is made available. It is expected that the committee will be in a position to make a decision on the date of the celebration, although it was pointed out it will be held within a month.

Suggestions from local residents or organizations are invited.

THE HIGHLIGHT of the two Kincycles performances last Friday and Saturday in the Edson Arena was the crowning of Miss Linda Gutschalk as 1964 Centennial Queen. Above, the crown is placed on Queen Linda's head by her friend Queen Karrie MacDonald. Princesses of the Court of Queen Linda were Judy Worton of Edson and Beth Miller of Hinton.

Women's Bospiel the biggest yet with 35 rinks

The Edson Ladies' Bospiel will get off to a roaring start Friday, March 6, when 35 rinks compete for the prizes in the four events.

Two new trophies have been donated, one by H. A. R. Brown and the other by Roy Hill.

Harry McKenna dies at Wildwood

A longtime resident was held Saturday, February 22 in 1964, Harry McKenna, a former resident of the Wildwood. Mr. McKenna was 71 years of age at the time of his death. He had been living at Wildwood since his retirement from the Civil Branch and death occurred on February 18 at his home there.

Born in Northern Ireland, Mr. McKenna came to North America in 1904, working the mines in Idaho, Montana, Washington and Alaska before settling in Alberta in 1921. He worked for 20 years in the oil business. He ended his mining career in 1945 as a free man.

At Wildwood he was mortgagee for 18 years and also ran a coal business. He was a member of the Catholic Church.

Mr. McKenna is survived by his widow, three sons, James, John and Daniel, all of Edmonton, and a sister, Mary, of Hinton. He is also survived by two brothers, Peter of Hinton and Joseph of Northern Ireland.

A banquet is planned for Saturday evening in the Edson Hotel. The banquet will be for the benefit of the Bospiel. The referee, which is also handled by the women during the year, will be on duty.

The 25 entries, the largest number ever recorded for a ladies' bospiel in Edson, are made up of 20 local rinks and 10 from out of town. There are five from Hinton, two from Edmonton and one each from Whitecourt, Jasper and Banff.

One every four years

One of Edson's latest arrivals, the baby daughter of an old and his girl McKenna, "has been born" in far as birthdays are concerned. Little Miss McKenna was born on February 28th and in a birthday only once every four years.

The infant was one of six born Leap Year babies born in the City of Edmonton. Mr. John's hospital in Edson reported no Leap Year arrivals.

The name of the baby, as the Earl McKenna family could not be located at this time. The one thing sure about her was that her name would start with a "J". Her first given name was Jane, James, Jacques and Jean.

Yes votes increase in Arena plebiscite

For votes increased 135 while Against votes only came up 23 in Monday's plebiscite among rate payers on the modernization of the Arena.

Actual count officially released by Returning Officer Peter Nordok showed 581 for the bylaw with 153 against the bylaw. In last fall's vote there were 143 for and 139 against the idea at the time.

Out of 944 resident burgesses entitled to vote on a money bylaw, 435 cast their ballots there was a 50 per cent turnout. There are 73 institutional and corporate votes and 164 nonresident ratepayers entitled to vote.

By percentages the yes vote was 84.73 per cent or less than 7 per cent short of the two-thirds majority required. The negative vote was 35.25 per cent of the ballots cast.

Toward the close of the regular Council meeting Tuesday night it was indicated that the Council would look with favor on another petition from those in favor of the renovation project. The closeness of the vote it was felt warranted another referral to the ratepayers if enough interest is shown.

Kincycles of '64 successful show

In spite of being plagued by mild weather which made ice skating practices impossible for days at a time since the beginning of the year, the Kincycles Club of Edson's annual ice show was a decided success.

Under the direction of Mrs. Roy Harting over 80 local figure skaters put on a colorful display of ice skating and drills that was highly enjoyed by the large crowds attending, both Friday and Saturday evenings.

Theme of this year's carnival was "Showboat" and the colorful period costumes of the "river people" made for an eye-catching spectacle. Various singing, piano and groups of skaters made for variety.

Little four year old Duane provided the real setting in Brown learned up with on program with last year's Queen Karrie MacDonald.

Probably the biggest show stopper from the crowd's point of view, Kenneth and Jeffrey Kinnison under the direction of President Ted Genshoush, expressed the appreciation of the Club for all the help given by so many people in making the show possible.

A special thank is expressed to the rink attendants who Gutschalk and Princesses worked under trying circumstances Judy Worton and Beth Miller skated.

PASTOR G. E. MUELLER stands before the altar of Grace Lutheran Church during one of the dedication services last Sunday. Also taking part in the services were Rev. W. A. Rumsch of Edmonton, Rev. A. Gehring of Stony Plain and Rev. Roland Meyer of Whitecourt. Besides members of the Grace Lutheran congregation, friends from other Edson churches attended the service.

Letters to Editor

Dear Editor:
Just a short note. Thought you and the Leader readers would like a report of news re (read and then) speak before residents of Edson. Had quite a long story from both of them a short time ago.

They like their new home and the 4 work shifts in Edson. Teacher training in Edson is becoming more and more.

Both Sheila and Shannon, also living in the Edson Hotel, and are still with me. Lots of news with their wonderful well trained men, in very stiff competition.

I am quite sure their many friends in Edson and district, will be pleased to know this. One thing is very clear, these two girls and their parents will be missed very much when "Edson" comes in Edson again. With love and your paper ever yours.

Yours Truly,
Henry W. Edson

The Way to a Man's Heart
By Mrs. Jeanne Roberts

In your issue the other week there was a mention of the dangers of them and some of the things that happened to the young lady appearing in the front of the paper. He told her that her father told her that she was not presentable on the street.

To this district there came a lady who was a daughter in her late teens. The people were very kind, building a home and clearing land. The daughter helped the father through his young life, she should have more money her age.

A young teacher had been asked the following hand. The father paid a metal rail and must of committed a real blunder. The young man refused the invitation to dine with her was too busy that day. The father repeated his fallacy to his good wife who made no comment at all. He was not at home that day. He was not at home that day.

MR. NEIL HORNE at left, on behalf of the Edson Kiosk, presents Mr. Tom Martin, manager of the Kiosk, with the transmitter radio Mr. Martin was at door prize at the Kiosk on Saturday night.

Edson Locals
Mr. and Mrs. Adam Martin recently had a break in the usual routine of affairs when they combined business with pleasure in a trip to the coast of Vancouver and Seattle.

Mr. and Mrs. Adam Martin were accompanied by their son, Neil, and daughter, Sheila. They were on their way to the coast of Vancouver and Seattle.

IT MUST RUN IN THE FAMILY — Mrs. Ruby Zolt of Whitcourt proved she was just as good a singer as her husband when she won the Grand Challenge Events in the Edson Ladies Bazaar last weekend. Her husband had won the Edson Men's Open Bazaar a few weeks ago. Like her husband's risk Mrs. Zolt had former Edsonites playing for her. Above left to right and back to left: Mrs. Betty Matthews, Mrs. Nancy McLeod, Mrs. Bert Hill, Mrs. Ruby Zolt and Mrs. Jack Hink who is presenting the A. & B. Trophy.

Mr. Veldstra reports on a visit to his homeland

At a recent meeting of the Peers Home and School Association, guest speaker was a district farmer, Mr. A. Veldstra, who with his family had returned from a holiday in his Dutch homeland shortly before. Mr. Veldstra's address was interesting and amusing as he told of the general changes that had taken place in his land since he had left it 12 years prior to his visit to his home in Canada. One of the most differences he noticed was the number of cars. When he had left the majority of people travelled by bicycle. Now he found hundreds of little cars, many of which were very small. He said it was a very surprising experience when one of his relatives told him the family at the airport and drove them to their destination.

Barbara Marshall is Jasper Carnival Queen

At the impressive Coronation Ceremony held in the Jasper Arena Sunday afternoon, the winner of the Jasper Carnival Queen was announced to a hushed and expectant audience of approximately 400 people. The ladies are anonymous in the public, and all they remember other than their decision was that it was a very close race and an extremely difficult task to name any one of them above the others. Each girl who was a candidate: Barbara Marshall of Jasper, Arlene Hink of Edson, and Barbara Marshall of Edson. Barbara Marshall of Jasper, Arlene Hink of Edson, and Barbara Marshall of Edson.

One day blitz for Red Cross fund drive

The Red Cross annual campaign for funds will take the form of a one day blitz this year. Mr. Ernest Hink, campaign chairman, has his committee of volunteers lined up for a big day next Wednesday, March 18. Local products are asked to have a donation ready, and to make an effort to be home when the campaign calls. The Edson chapter this year is 1110 down 1220 from last year when the local campaign failed to reach the \$1100 goal.

Art exhibits coming for Edson showing

A historical travelling art exhibit, "The People's Edson Community and Western Weekly Supplement" will be shown at the H. H. Hink School for three days next week. Sponsored by the Edson Art Club's central exhibition is intended to the public. Showing will take place Tuesday evening, March 10, from 7:30 to 9 p.m. Wednesday, March 11, from 10:30 a.m. to 12:30 p.m. and Thursday, March 12, from 10:30 a.m. to 12:30 p.m.

BARBARA MARSHALL, Queen of the Jasper Winter Carnival, receives her crown from retiring Queen: Barbara Marshall of Jasper, Arlene Hink of Edson, and Barbara Marshall of Edson.

Barbara Marshall is Jasper Carnival Queen

At the impressive Coronation Ceremony held in the Jasper Arena Sunday afternoon, the winner of the Jasper Carnival Queen was announced to a hushed and expectant audience of approximately 400 people. Optimists try to stump Joe Wynne

Members of the Optimist Club of Edson gathered here today evening for their regular dinner meeting at the Edson Motor Hotel, with president Harold Hartman presiding.

The meeting greatly enjoyed of guest speaker Joe Wynne, Inspector, Municipal Affairs Department, 115 Ave. 80, who was introduced by program chairman Tommy Butler as the arm encyclopedia.

As everyone knows him, knows the Edson area better than anyone else in the district.

Mr. Wynne spoke enlighteningly on Municipal problems and also related to some of the business things that have happened to him in his many years in the Municipal Affairs field.

He gave a brief summary of the function of the branches in the Department of Municipal Affairs such as the Planning Branch, Assessment, Public, Municipal Inspection, The Recovery special and details relating to the Bureau of M.D.'s and 'Union'.

Following Mr. Wynne's address the members were given the opportunity to question him on the different problems and operation of the Municipality.

Mr. Wynne was able to stump him. "I guess he is a walking encyclopedia on Municipal Affairs," said Optimist Gerald Michan.

Local Pioneer dies at Coast

An old timer of the Carrot Creek district, Mr. Ole Markness passed away in Vancouver, B.C., on February 28, 1964, at the age of 88 years.

He leaves to mourn his loss, four daughters, Mrs. E. Stand of Edson, Mrs. Bess Crowell of Edson, Mrs. A. Sandberg of Vancouver, B.C., and Mrs. V. Tenney of Port McNeill, B.C. Six grandchildren and one great grandchild also survive.

Mr. Markness homesteaded on the Carrot Creek district for many years and later was well known to lumbermen and fishermen as a foreman for Mill Manway.

Visits homeland

Continued from page 1
that was dormant in 1953 when the son covered his head with his up to 15 feet of water and now been brought back into production.

The Dutch live in an little town recently because the government controls every thing. Old age pension begins at 65, but citizens must pay into a pension fund from the time they begin to earn wages. The same is in effect for family allowances. In Holland no home we have to pay for this, but it doesn't hurt so much because many of our taxes are hidden.

However, that was enough, some he expects a brief moment to request to leave Sweden to pay for the land owner's wages and social security. Then, if he has thirty years, he can count on Sweden for his old age. He has to pay for his family's living and the other side for the government. Money goes to the maximum amount of land he can own and this much is required to keep thirty years.

He said that there is a shortage of manpower in Holland and with factories wanting to have opening up, this means many times employers must go to France and Spain for workers.

Asked if he would like to live in Holland again, Mr. Wynne very emphatically said "No Sir, it is nice to go back for a visit, but I like Canada and wouldn't want to live anywhere else now." Proving this he received his Canadian citizenship papers shortly afterwards.

Around Parkland Lodge

Residents of Parkland Lodge have been looking forward to the real spring with green grass and flowers outdoors. Everyone has been enjoying this wonderful winter, but sometimes it has been a little slippery underfoot for comfortable outdoor exercise. One of the February high lights was the winter party the ladies of the Hospital Auxiliary held in the lodge. This was followed by a lunch and the whole evening was very much enjoyed.

Guests received a special invitation from Mrs. Kim Hinson to attend the dinner on behalf of the low mineral water week ago. This was a treat and made us all feel like really enjoying a Commemorative Performance.

One of the best kept secrets of the lodge was the North Star party put on by the guests for Mrs. Hinson. It was a very nice surprise for Mrs. Hinson although plans had been making for two or three weeks to advance. The appreciation of Mrs. Hinson's thoughtfulness and care was

Arena and Main Street Plebiscite on April 20

The controversial arena by-law is again being submitted to the ratepayers as the recent vote was so close to the required two-thirds majority, it was decided at the Edmonton Town Council meeting on Tuesday evening.

At the same time the vote will be taken on a by-law for the paving and placing of curb and gutter and walks on Main Street and First Avenue.

One of the objections of those opposing the passing of the arena modification by-law was that Main Street needed flagging up first. The by-law for Main Street would involve the borrowing of \$20,000 by the town.

However, the street by-law is different than that for the arena in that the most of the improvement over the years will be met by the business owners of the street. The annual amount of this by-law is only \$2,777.50.

The arena modification project was to cost an estimated \$125,000, but a large part was to have come from voluntary organizations and other sources.

Flying Club to buy aircraft

The Edson Flying Club held their regular meeting Sunday afternoon at the airport.

Plans are being considered to purchase an aircraft for the club and may be purchased from members of the club.

It is reported that a Flying School will be opened this summer and all prospective pilots are urged to contact the club as soon as possible.

Another meeting will be held next Sunday at 7 p.m. at the airport. Again, anyone interested in joining the club and learning to fly are urged to attend.

A TOASTMISTRESS CLUB was organized last week when close to forty women gathered in the Commodore Hotel banquet room at a meeting with members from Edmonton clubs. Chairman of the meeting was Betty Durrant of Edmonton, who with fifteen other representatives of three Edmonton clubs held a demonstration meeting for the Edson ladies. The executive of the new club is left to right above: Mrs. Eunice Maris, secretary; Mrs. Betty Durrant, vice president; Mrs. Betty Durrant, guest chairman representing Council No. 10 in Edmonton; Mrs. Darlene Maris, president; Mrs. Neel Ryan, treasurer; Mrs. Rita Steiner, club representative. Up to 20 members will be accepted and any women interested in joining this interesting and educational club should contact any member of the executive.

Editorial

WHERE DOES THE FAULT LIE?

Over Editorial by Mr. MacLeod

When a person is asked to write about the subject of education he must realize before he begins that his opinions will not meet with the approval of all those who read his article. However, opinions are always the basis of good discussion and despite the controversy that can evolve from the expression of them, they serve a very useful purpose in society.

Unfortunately, education is and always has been a very controversial subject because it is so over-present in the minds of the great majority of parents, each one being influenced in his opinion by the effect of a particular school and his own offspring. If this child is doing well in his progress through the grades, then it is safe to say that his parents will have a favorable impression of the school that he is attending. On the other hand, if junior recalcitrancy, difficulty, must mothers and fathers begin seeking weaknesses in themselves and in their school.

Their criticism of the school system or of those who administer it, should be termed "Destructive Criticism" and ignored by those parties who are responsible for the education of our youth. Even the so-called crank can be very often present an argument that contains much food for thought. It is from such information that homes and school groups, school boards, teachers associations and departments of education arrive at the solution of many problems. Criticism and suggestion from the taxpayer should be encouraged.

The taxpayer is the customer buying education which is the product of the department of education. If the product that he is buying, his comments should be heard and considered by the supplier. I cannot help but feel that all taxpayers who support the tax to take advantage of the fact that a monopoly is held in this particular business and the customer is ignored.

It is encouraging to hear in the past few years that industry is being asked here in Alberta to present its needs to the department of education with the result that many technical and vocational schools are coming into being. This is progress, as it gives many more students a chance for a good education and maintains the number of graduates due to liability of students to cope with an expanding program.

The professional educators dwell on tailoring the educational program to this so-called "age group". This is not completely wrong but I do feel that they should not allow the elementary and high school programs too much but they crowd out some of the basic fundamentals which are necessary to prepare a child for college. The colleges, however, should be adjusted to meet the educational needs of the Nation.

Just what I think I've met something in making men's minds to move the men.

Women don't cry for night clothes who get them and night and the men's mind.

It is not the men's mind of your business you need likely to be the men's mind in a crisis.

CAPITAL REPORT

LEGISLATURE GOES INTO FIFTH WEEK

EDMONTON After four weeks of sitting the Legislature still hasn't gotten down to the serious business it came here for — discussion and enactment of legislation and study of the 1964-65 budget.

Several of the reformers have commented on the fact that the session so far has been largely a matter of speeches, of "window dressing" and emphasis that legislators are going to have to meet passing laws and such pretty soon.

However, Premier Manning said there is virtually no chance of finishing up before Easter so the normal pressure to get everything out of the way by then is off this session.

Two of the legislature's perennial resolutions were dealt with last week — one with a somewhat surprising result.

The house voted by a 60-50 margin that the House of Commons and the Senate of Canada should be asked to consider the proposed amendments to the Constitution of Canada.

The amendments would give the provinces a greater role in the federal government and would also give the provinces a greater role in the federal government.

The amendments would give the provinces a greater role in the federal government and would also give the provinces a greater role in the federal government.

PRICE OF BEEF

For beef prices has dropped sharply in recent years. They have to bid the bid at lower prices than they could get a few years ago, and to make up their profitable price on the whole, they have had to get more for steaks and roasts.

One has to look around to see that the opportunity is possible. Plentiful have been available to buyers, women's householders, and the beef market is not as tight as it once was.

Accident Vaccine?

WELL, NOT EXACTLY. Ten years ago, prior was a major factor of youth; today, vaccine has made the disease a comparative rarity. But, even when police was claiming lives by the hundreds, traffic accidents were killing more people under 25 than any other single cause of death—and they still are.

Do we have an accident vaccine? No. People can't be vaccinated against accidents, but the toll can be reduced through the teaching of correct driving habits—and safety habits—in our teenage population at the formative stages in their lives. This is what the automobile insurance business does through its sponsorship of the National Teenage Safe Driving Championship—the culmination of a coast-to-coast series of safe driving competitions involving more than 30,000 young drivers in 225 Canadian communities each year.

Letter to the Editor

Dear Sir:
So few do so much for us here. This small statement is directed to the appreciation and acknowledgment of the efforts of certain members of our community.

Edson has the share of people behind the scenes who are building the land of others, with no compensation in mind but the betterment of Edson. We have mentioned of various clubs, doing endless hours of work. Unheard of people trying to maintain others who need a new arena. Individuals spending hours of their spare time, working hard, teaching kids to play musical instruments, and trying to attract people to Edson through music.

A few years back one of the service clubs in this area, the Edson Chapter of the "Circles of the Year" or even better "Circles of the Month" Lab House.

Chevrolet built the new Chevrolet to fit into all your plans

(including your budget and your garage)

Chevelle fills the bill! It's a new size, low-price car, tailor-made for people who want a combination of features that other cars simply don't have. Here's what we mean: Chevelle's beauty adds a new dimension to functional design! Chevelle's stylish curved-glass side-windows mean interior measurements within an inch of most regular-size cars. Chevelle slips easily into tight spots—and out of them! Chevelle's 118" wheelbase is sized right for city traffic—makes parking practically effortless. Chevelle's power is made to measure with Sixes or V8s, transmissions for every taste, and a full array of extra-cost options. Chevrolet reliability keeps Chevelle lit for the future with proven safeguards like Body by Fisher and Magic-Mirror finish. See your Chevrolet dealer and try on a Chevrolet for size—he's got 11 models, including low-price convertibles, sedans, sport coupes and wagons—one's bound to fit!

IN APPRECIATION

The words "Thank You" seem very inadequate to express our appreciation to the people of Edson and district, our suppliers, the workers on the job and many others who made our opening with the "NEW LOOK" the success it was. We hope to merit the confidence and send off we received and will do our best to give first class service and always strive to bring up to date policies in future food merchandising.

Sincerely,
The Management & Staff

P.S. We offer congratulations and good eating to the lucky prize winners who were Mrs. Stan Maert, Mrs. Y. K. Clarke, Mrs. Agnes Thomas and the grand prize to Mrs. Wm. Neumann.

Olympic contenders need national help

With controversy going on as to why Canada didn't make a better showing in the 1964 Olympics it was interesting to read the opinion of a former Edson student and official now living in France. Dr. Claude Bouché is a better to this story, Mrs. Frances Holmes had some pertinent remarks to make on the subject.

No doubt you know by now that Claude Bouché was at the last minute to edge out Bouché for the 100 Olympic. The French had a very good year, all round, especially in the Olympic event.

They have invested a lot of facilities since the war in fact they probably have the best now. Most of their athletes are in a completely new state so you don't find the "rusty" athletes of the 1948 or 1952 Olympics. Like every

thing else in France these days this development is part of the "plan". They will make out on a good show.

"We have had better years but when you are the nation that gives into production athletes as these Europeans continue it's surprising that we did so well. Maybe the French's performance in the 1964 Olympics had they have the same amount in 1964 for coming another athlete that would make the Canadian way for producing professional hockey players look sick. Once a kid has made the National team he lives during on a paid round basis at an expense to him or his family.

"When you compare this to our figure skating team of two years ago which was the best in the world and whose members have all won prizes before this year's Olympics there it's not surprising that the Canadian

Edson Army Cadet Corp receives recognition

Edson Army Cadets can boast of having one of the three most efficient Corps in the Northern Alberta area. Proof of the fact is a letter received from headquarters about three weeks ago.

The award is a credit, not only to the members of the Corp but to their commanding officers—Captain Jim Reil and civilian instructors, Allan Mah and Mrs. Kay Reil as well.

Last year, after a time when interest had seemed to lag for awhile the corp was named the Most Improved Corp in the area. They now appear to be working on their way again and are gaining in strength.

efficiency. The present Corp has a strength or made up of boys from 14 to 18 years of age.

So far this winter two over-night schemes have been held north of the rodeo grounds. The schemes give the boys an opportunity to further their knowledge of survival, compass marching, first aid, shooting, etc. During the two schemes, many cadets fired the KVs to enable them to qualify.

For the Dominion shoot, G. Allis Ironside proved to be the crack shot of the Corp.

This year the Edison H. has amalgamated with the Corp under the leadership of Bandmaster Dick Christie.

This year, also, a Key Corp has been organized. It is successful in its work.

Key Red is the civilian instructor and commanding officer. The age limit is 14 to 19 years and new camp members are welcome. They have more or less the same program as the cadets, but not the fundamentals of survival organization, first aid, rifle drill and marching.

Present plans for the Red are to form a portable drill team to perform at the annual inspection night in spring. Both the boys and girls parade at 7 a.m. every Wednesday with their instructors.

Due to floor renovations in the Legion Hall, the Corps held their drill on March 18 on the tarmac. Wilf's Shell Service, Des Moines, sold winds they made a w

Sponsored by the Optimist Club of Hinton, the first District Highland Dance Competition was held on Saturday evening in the Crescent Valley School Auditorium. The event was postponed from March 14th due to other functions that were conflicting.

There were no boys in the competition this year and dancers performed to the music provided by Pipe Edmund Chilton of Edmonton. All dancers were awarded certificates for proficiency or merit according to marks in each dance. Trophies were awarded for aggregate scores in age groups and for Highland Fling.

Jane Koloduk of Hinton took the Hinton aggregate, Finlay Trophy and the Tom-Bey for Sword under 12. Betty Jean Richardson accepted the King Drug Fling under 10. Cape for Highland Fling in Proficiency, Fling, Sword, under 12.

CONFIDENCE IN OUR COUNCIL

On Wednesday evening at 8:00 p.m. in the Crest Valley School, the Hinton and District Chamber of Commerce will sponsor a Public Forum for the purpose of bringing before the ratepayers of Hinton the proposed new sewerage by-law.

When we give governments authority to act for us, we give them authority to spend on our behalf for our good. Sometimes we may not agree that it is to our benefit. Sometimes we are very much in favor, but more often than not, we are apathetic. In fact, we are not directly concerned either with the project or the payment for it, we all back and "let George do it."

Fluoridation plebiscites rarely pass the mark — not because of those who are in favor or those who are not in favor, but because of those to whom it does not matter. Money by-laws are the same. We are remedy in favor but not too concerned about the outcome — we'll pay the bill if told to, but we won't do anything to force the issue.

Are these selfish thoughts, selfish actions? The "aggressors" will be on hand — the supporters will do the best they can.

The athletes can lose the match. The arena's necessity goes without saying as we live in a checkered area where extremes of temperature play havoc with natural facilities.

If all of us who had no interest in curling, or bowling, or playing bridge just sat back and did nothing to promote the interests of others, we would be termed "selfish." If we petitioned against these recreational activities it would be selfish.

When the votes are counted on March 31, be sure that yours is there to be counted. Without an "I" vote, your law-makers hands are tied and although you may still have a say as to how this arena will be operated and the use it will serve, something must be done. In order to do that something, we must give a vote of confidence by passing the by-law itself.

IT COULD HAPPEN

One of our readers wrote yesterday — his letter may not be printed in this issue — criticizing our use of the word "dictator," as applied to Mr. Peter Elliott, chairman of the Alberta Liquor Commission, last week. Perhaps he is right. Under today's form of government, we probably should have used the word "bureaucrat," but we didn't think of it. We studiously avoided the word "despot," which we did think of.

While there are unquestionable differences of meaning in the words, there is little difference in the form of unchallengeable desire to which we were objecting.

The fact the word "dictator" has been reversed is not the point. The point is that Mr. Elliott may establish the condition "or" which we view the act of exhibition, and what? or not we view it.

Yesterday, we MUST NOT see the collection. Today, we MAY see it. Tomorrow, who knows? When will the order go that we MUST see it?

Ridiculous? Of course. It couldn't happen here? We'd all like to stick our heads in the sand and feel secure, wouldn't we? It's not just the very Voltaire said it, but when a government has the strength and audacity, it's not much of a step from "they shall not" to "thou shalt."

CAPITAL SPENDING NEAR COMPLETION

EDMONTON — The legislative spending money was pretty well expended last week by Friday the members, sitting in committee, had given study to such proposals in the \$61,000,000 budget for 1942-43 presented by Provincial Treasurer Ted Humeau.

The committee study is the last chance members have to question individual spending items under each department, to complete about certain ones they think are too high and to put in requests for additional spending where they feel it is needed.

Their suggestions won't bring about changes in the appropriations but as such ministerial answers for his department he gets a better idea of just what he wants what — it could be a better next year.

Most interesting item which passed without a murmur was that covering the members' medical indemnities. Mr. Humeau says it wouldn't be right to reveal how much of an increase the members are getting until the legislation to cover the increase is introduced. However he admitted if anyone had asked and theoretically some of the members knew he would have had to be in the figures.

Nobody asked. Mr. Humeau didn't volunteer the information, and press speculation is that the increase will be about \$100,000 a year. The members' pay is about \$5,000 a year which out-of-town members get \$15 a day for living expenses during the session.

Had had for reading a couple of speeches and thumping your desk once in a while for two months each spring.

We have a meekling suspicion, undoubtedly, that Mr. Humeau who is an extremely able, honest and efficient watchdog of the public purse, feels there are places the money might have been better spent. The members would jump to their feet in agreement.

The legislators did a few other things last week. For instance it went down a suggestion by Frank Galsier, C.M.A. — that the Alberta press for legislative, government, covered salaries to raise money for such things as health, welfare and education.

Galsier's contention was that everybody who wants to enter legislation will do it anyhow — and why send the money in fee hand? Premier Manning said there would be "inconvenience" in the law if the federal government made legislative legal and there would be policing problems. The members said so, 47-3.

Then there was A. O. Flinn's suggestion that the Alberta government should make a deal with the United States in getting the Alaska Highway paved.

All members agreed, since Alberta's portion is already paved anyhow, and the resolution urging action will be sent to Ottawa — just as were resolutions in 1939 and 1941.

There were some bills introduced too. That one about collecting mortgages was color but that of better was given first reading. And the one proposed by Humeau to allow a municipal district to add a few mills to taxes in order to build up a fund for capital works over a number of years.

Then there was one motion that municipal districts must submit their budgets to the government for review before passing them.

Popular bride-elect honored by bridal shower

A shower that was a complete surprise for the bride-elect was held Monday evening in the Parish House of the Christian Reformed Church. Miss Augusta Crowe, who had no idea anything was up until she entered the room and was led to a nicely decorated chair of honor.

About 40 ladies and girls attended the shower. Gifts were brought in a generous and happy mood.

When she had opened the many lovely miscellaneous gifts Augusta thanked every Christian Reformed Church at all.

snow would soon disappear, Edison residents took advantage of the nice weather to go out and clean their walks.

Easter Cantata sets holiday theme

In spite of the heavily falling snow three hundred Edison and District residents turned out Friday evening to enjoy an evening of wonderful Easter music as the Beverly Mixed Choir presented an Easter Cantata in the High School auditorium. The choir is professional in quality and the beauty of the Easter music rendered their performance all the more moving to the very attentive audience.

Spurred for their second Fabian performance at the Edison Memorial Association, the program included dramatic solos and choral numbers. The choir was opened with the hymn "The Church of the Living God" led by Rev. Jack Paudie of the Edison Baptist Church. The choir was then introduced by the Rev. J. H. Smith of the First Central Church.

Following several selections by the choir interspersed by

reading from the scriptures, the Donald MacArthur choir, the Ladies' Chorus, led the audience and choir in "The Death of Jesus." The story in song was then sung by the choir. Rev. Paul Smith, pastor of the Broadway Church, gave the benediction.

Outstanding in the evening performance were the soloists, Mrs. J. H. Smith of the Rev. J. H. Smith of the

BREW KETTLE — Labatt's Alberta Brewery. This new kettle has a capacity of 720 barrels per brew. Hops are here being added to give the brew its flavor characteristics.

\$5,000,000 Labatt Brewery adds to Alberta economy

Western Canada's first multi-million dollar brewery is now in production in Edmonton. Built by Labatt's Alberta Brewery Ltd. at a cost of \$5,000,000, it is the most modern in North America.

Although smaller, it is patterned after Labatt's Montreal brewery which produces one-third of the province's supply of beer.

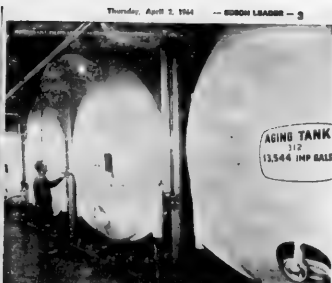

Initially the plant will have a capacity of 180,000 barrels per year. As a result of new design concepts, including the plant, capacity can be expanded four fold without disrupting the brewing process.

Located on the Calgary Trail, Edmonton, the plant occupies a 10-acre site. About one-third of the site is presently in use with the balance held for expansion.

All equipment and machinery was imported from the United States. In fact, the plant is a complete turnkey operation. It is the first of its kind in Alberta.

One of Canada's oldest breweries, Labatt's has been in Alberta since 1883. In fact, they were represented by Alex. Haddock, who is currently in a senior management position with Labatt's Alberta Brewery Ltd.

STARTED 125 YEARS AGO
Labatt's traces its ancestry back to London, Ontario where it is recorded that in 1839 the first Labatt was born. In 1864 the first Labatt was born in Edmonton. In 1883 the first Labatt was born in Edmonton. In 1883 the first Labatt was born in Edmonton.

AGING TANK — Labatt's Alberta Brewery. A six week period is required for the complete brewing process. The brew is in these tanks for the majority of this time. From here it goes to be either bottled or placed in kegs.

MRS. LILY BELDON and her class of Evergreen School produced a very delightful cantata this week preceding Easter. Parents, brothers and sisters enjoyed it best at the home school, then the next day they were asked to give a performance at the R. H. Doble School for students' help in the cantata. The "Awakening Voice," which was accompanied at the piano by Mrs. Selden. Preparation and presentation were under the direction of Mrs. Selden. Teachers' families made up in accompanying were: Mrs. Tardif, Mrs. MacCarty and Mrs. Beldon. Members of the cast included: FARRIS: Kathy Johnson, Margaree Bledsoe, Margaree Whitford, and Mrs. Selden. RYAN: Donald Crowman, Ian Mitchell, Carson Smith, Martin Truett.

EDSON LOCALS

Mrs. Loretta is back in Edson for a short time making plans for the renovations of her home. She hopes to come back to Edson to live on a free day.

Rec Leadership School to be held at Camrose

The 1964 Recreational Leadership School will be held this year at the Charles Adams High School in Camrose from July 15 to August 14. The purpose of the school is to provide persons interested in leading recreational activities with the opportunity to develop their leadership skills.

The first year course includes recreation planning and social recreation. Optional subjects are available in such areas as tennis, archery, etc. Students of previous years may also enroll.

GENERAL MOTORS OF CANADA has announced it will build a new truck chassis plant in Ontario. The new plant will be located near the existing plant in Brampton. The new plant will have a capacity of 100,000 chassis per year.

Red Cross Loan Cupboard

In nearly 400 communities across Canada, the Red Cross provides a free service to help many sick and injured Canadians on the road to a fast recovery. It's the Red Cross Loan Cupboard. For those who are unable to provide the necessary cash, the Red Cross provides a loan. The loan is repaid by the patient or the family. The loan is repaid by the patient or the family. MEMBERS OF EDSON'S SWIMMING CLUB trio went to school Easter Week in Edmonton to gain Red Cross swimming instructors training and more lifesaving knowledge. From left to right Bill Mahon, Jo-Anne LeBlond and Louis Sigafoos, who took about the course as they look at Bill's Senior Instructor's certificate.

Little Britches queen candidates to meet public

Edson and district residents will have the opportunity this Saturday morning to meet the queen candidates for the Little Britches Regatta. They are the

prize in Murray's Super Regatta. They are the

Misses Wilma, Catherine, Sylvia Fisher and Chantal Munro.

The girls are all active participants and prize winners in past regatta and are very good swimmers.

New Christian Education method for adults first

A new curriculum workshop for Sunday School teachers

and other Christian education personnel will be held in the United Church next Thursday evening April 14 starting at 7 p.m.

The workshop is coordinated by the Christian Education Committee in conjunction with the new method of teaching Christian education. The plan encompasses new methods and materials of teaching within the church and Sunday School. It is a local continuation of the one-day workshop held recently at Hinton for laymen in the Hinton, Edson and Jasper United Church conference.

The new method of teaching has been in use in Hinton and Bowden for the past year and has proved quite interesting. It is unique in that it begins with adults and goes on to the Sunday School children. The program will begin in Edson this Sunday when the conference will see a film, "If you're not a Christian, this should be of interest to you." The film will be shown at 7 p.m. and the workshop will begin at 7:30 p.m.

Edson swimmers take top honors

Three of Edson's promising young swimmers, Jo-Anne LeBlond, Bill Mahon and Louis Sigafoos, brought home to themselves and the Edson Swimming Club when they attended an instructors' course held annually by the Red Cross Water Safety Division in Edmonton.

The course, held during the certificate. The senior in Edmonton, is a very interesting one, and keeps the students busy from 8 a.m. to 5 p.m. with the odd night swim.

This year the classes were held in the YWCA pool, the Red Cross pool at Kinross and the Victoria Composite High School pool. Although the course kept the students busy, it was still time for fun and there attending all the time was like a holiday.

The Edson trio did very well. Jo-Anne and Bill earned their Red Cross Junior Leader's certificate, while Louis was awarded his Senior Instructor's certificate.

The instructors' course for highest mark on theory was Jo-Anne with 94, Bill with 92 and Louis with 88. They were awarded by the Royal Life Saving Association.

SPECTATORS ON THE HIGHWAY AT GALOWAY 15 miles West of Edson
gazed in amazement at the 27 cars derailed out of a freight train coming
west at about 9 a.m. this (Thursday) morning. Our cameraman was passing
shortly after and these pictures show the extent of the damage. A
train crew was being rushed to the scene as this was being printed. There was
no report of injuries to the train crew.

No local applicants for dog catcher

Much of the regular meeting of the Edson Council on Tuesday, April, was taken up with going over claims for a new contract with Western Animal Care. New contract negotiations were opened as no suitable local person had applied for the dog catcher position. Recommendations from the public meeting on the dog question last year were incorporated into the new contract which was tabled for further consideration of the next regular Council meeting.

During the course of the meeting a map showing the extensive plans by Alberta Government Telephone for putting telephone cables underground throughout much of the Town approved in principle during the meeting.

Mrs. W. R. Brundage was in the chair with Committee H. A. Colby, W. K. Korman, D. B. Bland and J. Smith present. Four citizens attended the meeting.

Mrs. Brundage and Mr. Smith addressed Council with respect to operation of Spaulding's and Chain Saw business in previous Lot 20, Block 22. Council granted approval for such a business.

Mr. David Chivershaw of Western Animal Care discussed with Council personnel and first agreement or certain difficulties being agreed upon. The matter of contract with Western Animal Care Ltd. and by law No. 104 was then tabled to the next meeting of Council.

Council granted its approval at its operation of Committee H. A. Colby, W. K. Korman, D. B. Bland and J. Smith present. Four citizens attended the meeting.

with respect to the Alberta Hospital Act is now \$1,700. The resolution of the dog catchers Foundation in sum of \$1,700 with respect to the deficit of operations in 1963 was accepted and that the said sum be paid.

Mrs. Brundage was appointed Ward Inspector for the Town of Edson as required by the Nurses Wages Act. A letter from the Lions Club with respect to plans and permits for the (Lions) Town Centre was placed before Council. It was moved that the Lions Club be requested to have representatives attend next meeting of Council, April 27, and that these representatives be asked to present a firm draft of plans and details of proposed development. A report and recommendation of the Chief Constable with respect to the police station on Main Street at Avenue to 8th Avenue were placed before Council. It was moved that "No Parking on Curbs" signs be placed at southwest intersection of Main Street and 8th Avenue and that Council do not modify the one and one-half hour parking limit.

Edson gas plant in operation in 1965?

An article in "Oilweek" for April 13 gives the first indication in print that gas may be produced in the gas plant rumored in the planning stage for 14 miles South West of Edson.

To quote the "Oilweek" article:

First production from the big Edson wet gas field in western Alberta is slated to get underway in November, 1965.

This was revealed by Triad Oil Company in its annual report to shareholders.

Triad said in its report that it expects to start selling its share of the Edson gas reserves to Trans Canada Pipe Line Limited at that time.

The Sholegas gas reserves at Edson are believed to exceed two trillion cubic feet, with probably more than 50 million barrels of natural gas liquids. Major participants at Edson in addition to Triad, include Budman, Ray and Gies, Hamilton Bros., Canadian Royalties Co.

Triad reported that its net share of the Edson gas reserves exceeds 250 billion cubic feet. It is estimated that its sales revenue for the first year of production will be approximately \$1 million, and will average \$1.5 million over the 75-year life of the field.

Persistent rumors have the location of the projected gas plant as being at the confluence of the Embarras and McLeod Rivers south-west of Edson. To be in production by November, 1965 it would be natural to presume construction would have to start this summer.

LEADERS, assistant leaders and potential leaders from Edmonton, Mrs. Al Campbell, Mrs. Allen Berrell, Mrs. Roy Bennett, Miss Smith, from Vancouver and Mrs. J. K. Wilson. Front row are Mrs. Frank de Vries, Mrs. John Kesh, Mrs. Audie Hill, Mrs. Fred Parmenter and Mrs. Dave Bernehardson.

Editorial

FIGURES DON'T ALWAYS
TELL THE STORY

The two proboscis coming up for a vote in Wood's petition of Edson taxpayers last December to be placed on our agenda. It should be especially noticeable if it is applied to the area project for paved asphalt parking Main Street. If the area project is put on the agenda, it is the paving of Main Street.

Our own can be put on Main Street need come up properly. The job should be done right this time so as to last. Only part of the cost will be borne by general tax revenue. A business plan is being drawn on the street will be paying a franchise fee that will not alter the deleterious impact on the area.

The area project is a different category. A majority of the taxpayers seem to think it is not an all-out revenue raising project and that the area is not a revenue project.

Edson is in the hot of the Leader there is an advertisement bought and paid for by property owners. In the larger tax bracket incidentally, who think we shouldn't have the area project at this time. The voters of the area who think the area will be paid for by the area project.

Our own is that there is something like a householder who could be living in a new house at about what the area project would cost. It should be a house built at \$140,000. It should be a house built at \$140,000.

We are now paying about \$50,000 a year for use of the area for an uncertain number of two each winter. We don't think that operation of the area project will cost anywhere near the \$100,000 per year they suggest for operation. We think probably the figure would be more like one or two hundred a year. With your own use the revenue possibilities would certainly limit to a point where the deficit would likely not be much greater than it is now.

The present dressing rooms and toilet facilities in the area are in a bad shape. The floor needs to be replaced. The floor needs to be replaced. The floor needs to be replaced.

It is true that Edson was comparatively debt free for a few years back. But our town was on the verge of having an inadequate water supply system and under a capital sewer system, with almost no sewer system left for the hundreds of homes built in the area. The town had to be built in the area.

Edson has a good reputation as a "real town" that has been in the past few years has helped to help the town. It has helped the town. It has helped the town.

The most dangerous part of an automobile

Cancer...

...IS THE DRIVER. Today's modern automobiles are soundly engineered, safe, and remarkably reliable. Modern roads, too, are designed to present the minimum of hazards. Driving only becomes dangerous when fallible human beings come into the picture and, through their human failings, cause accidents. In a determined effort to cut down the nation's accident toll, the automobile insurance business has dedicated itself to the promotion of highway safety programs and driver training education. As a part of this extensive program of safety promotion, which includes several nation-wide projects, All Canada Insurance Federation sponsors the Afford Campbell Memorial Awards, presented annually to drivers of outstanding safety records in their communities throughout Canada.

IT IS SURPRISING to the amateur observer how excellent many of the pictures produced at the Edson Art classes appear. The Leader camera was being used Monday night and dropped into the class in the A. H. Dales School to find about 70 or more persons busily engaged in various stages of painting and sketching. One member explained that painting was a perfect way to get rid of frustrations,

and it certainly appeared to be on an increasing occupation. The class has an instructor from the government Extension Department come out once a month from Edmonton and most weekly between times with local instructor, Mrs. Betty Andrews. Above admiring the finer points of Ray Keith's painting are Mrs. Betty Andrews at left and Mr. Andrews.

Edson student wins United Nations trip

Dennis Calvert of the Edson High School is this year's winner of the trip to the United Nations in New York. He emerged victorious in the United Nations contest open to all high school students in the province. He will be accompanied by his parents and a teacher on the trip.

This year's participants were selected on the basis of an essay and a one-minute speech. Dennis was awarded the trip by the United Nations Educational, Scientific and Cultural Organization. The trip is a two-week tour of the United Nations and will include a visit to the United Nations Secretariat Building in New York City. Dennis will be accompanied by his parents and a teacher on the trip.

Paving bylaw passes arena project rejected

The double plebiscite held to put Edson taxpayers on bonds received a mixed reception. Main Street and First Avenue West paving project received the go-ahead, while the controversial arena modernization program was again turned down.

Voting in the paving plebiscite was:

For	234
Against	149
Spotted Ballots	8

The arena by-law vote was:

For	360
Against	346
Spotted Ballots	9

In the paving vote the taxpayers favored the idea to the extent of 70.81 per cent of the ballots cast with 29.19 per cent of the voters registering disapproval. The arena split was closer to half and half with 51.20 per cent favoring the project and 48.80 per cent being against the plebiscite. Both bylaws required a two-thirds majority of the 145 taxpayers voting to pass. According to figures from Returning Officer Peter Svedvik there are 1100 property owners eligible to vote on a money bylaw. Of these 500 are resident in Edson, 600 are non-resident.

Edson census shows Town up another 105

The census of Edson taken in 1961, prepared by John Smith, of the Town Staff, shows that the population of the town has increased by 105 people since the 1956 census. There are 1105 persons over the 15-year-old mark. This figure does not include 15 members of the Grand Prairie Trail North Road or east of the rail line. An estimate of the people living within a mile and a half of Edson Main Street puts the figure for the total population over the five thousand mark.

SIMULATED DISASTER

CASUALTIES FROM A LOCAL "DISASTER" tried hard to look grim Wednesday afternoon when members of the Edson Emergency Organization took part in a disaster exercise. Black and white doesn't do justice to the realistic horror and haunting eyes of those young participants. Scores of Edsonites took part in the medical, police auxiliary, welfare and an-

illary services that saw the casualties brought into St. John's Hospital in record time from a planned accident just north of Edmonton on Highway 16. BMO Director D. Hodge expressed himself as pleased with the practice which will be evaluated to smooth out minor kinks for future exercises.

Disaster exercise involves scores of Edson volunteers

Scores of Edson and District people participated in a simulated school bus accident near Glenora on Highway 16 Wednesday afternoon to test the readiness of Edson Emergency Organization procedures in the event of a real thing.

Under the overall supervision of BMO Director D. Hodge, the exercise was enthusiastically participated in by all the auxiliary organizations connected with disaster planning for the area.

Most spectacular were the "casualties" who were realistically made up by members of the St. John's Ambulance Association from Edmononton. It was reported that at least one car load of people who came upon the "accident" showed signs of panic at the sight of some sight of school children all over the side of the road.

Realism was in fact carried so far that some St. John's Ambulance members were detailed to act as hysterical and panic-stricken relatives. Subgroups of Edsonites kept most of them out of the hospital as the casualties were brought in for treatment. The exercise was a success in every respect.

Edson Town Police directed the ambulances out of town and members of the Edson Army Cadets Corps acted on police duty near Glenora to direct ordinary traffic away from the scene and make sure ambulances could get through to the scene.

The fire and the medical staff of St. John's Hospital in Glenora were also present. The exercise was a success in every respect.

The person had driven onto the strip near Glenora. Since the strip was closed down, the person had to get out of the strip where he had got stuck.

Very quickly, he was broken up so as to help him get out of the strip.

The matter has been turned over to Federal authorities and it is hoped that other officials are experienced the person could be quite serious.

This is a broadened Federal air strip and respondent, because due to part of it, it is a possible offense.

Edson Mill Rate up one over last year

Following two night sessions until almost midnight Edson Council set Edson's 1964 mill rate at 59. The one mill increase will provide about the same proportion of municipal services as last year.

Contributing to the need for an increased levy was the increase in hospitalization requisition of 1.95 mills; education is up .2 mills.

A total of \$252,532.00 is budgeted for this year compared to an expenditure of \$412,314.00 last year. Anticipated revenue this year is \$446,537.00 which would indicate a deficit of \$12,105.00 on 1964's operations.

That outstanding increase this year is to the hospitalization benefit, the requisition which is \$17,907.00 compared to \$15,350.00 last year. Cost of street lighting is up this year by \$4,000.00 to \$14,325.00. More work projects will be undertaken to the amount of \$2,000.00 but a total of \$47,375.00 for improvements around town.

An extra \$100.00 per year will be retained from water works revenue by the forwarding of the minimum of \$2.50 per month to \$3.00. This increase was justified by Union and that cost of water mains and sewers has risen. It was pointed out that Edson's rates are still the lowest in a most comparable town in the province.

There is to be no change in the business tax rate which still remains at 17 mills as it was last year.

An interesting aspect of what a mill brings in taxes now comes in just under \$5,000.00. Less than ten years ago one mill brought in about \$200.00.

The explanation lies in the "equalized assessment" now in effect all over the province. The increase in the total assessment during the last several years is also part of the explanation.

During the formal adoption of the budget Council made the little gesture of going on record as stating that, in the opinion, there are no "tricks" in the assessment procedure that the Council has not tried since School Division

was stated, including fully standard schools and all very officials are average. It was said that the proposition advanced was not to provide the funds for education. This year, the total of \$11.00 from the School Division is about the same as the \$10.00 asked last year.

It was emphasized that the Mayor of Edmononton had also stated the suppression of expenditures over and over the foundation program will pay for something over and over.

Jubilee School take-over on Wed. May 20

The students of the Jubilee High School were on Monday, on Monday, May 4, when the first day of the Jubilee School Division was held in the new gymnasium.

The public will be given the opportunity to inspect the new building, along with the rest of the school on Wednesday, May 20 at 8:00 p.m.

The teachers are working up a display of educational interest, and the gym club and several other classes are preparing for special performances.

Shareholders at the Annual

Art Class to display work

The joy of painting has been the art of creating. Arthur Goldberger, Edson, will be displaying many of their paintings created during the past year, in their annual exhibition to be held on Saturday, June 6 in the High School Auditorium.

While viewing the pictures, refreshments will be served by club members.

It is hoped that families attending Little Brothers Sunday will find time to see the exhibit. The hours will be 2 to 5 p.m. and 7 to 9 p.m.

After a short session, the members are eager to have the public share in their enthusiasm for painting.

ANNOUNCEMENT

Edson, Alberta, Thursday, May 14, 1964 Vol. 11, No. 20

IT WAS A PROUD MOMENT for both Sister Roberts and Mrs. Jim Johnson Wednesday afternoon when Mrs. Johnson presented the Sister Superior of St. John's Hospital with a cheque for \$259 which the Hospital Auxiliary has raised to purchase a fracture bed for

the hospital. Mrs. Johnson is president of the Auxiliary. Part of the afternoon is spent in the background, but the bed itself has not arrived. This is the largest of the many items purchased for the comfort and convenience of hospital patients by the Ladies Auxiliary.

Graduation plans complete for Edson High School

Preparations for this year's graduation on May 21 and May 22 have been underway for some time and are now virtually completed. No final plans for the ceremony have been made in the final.

The banquet for the grade nine and ten students and their parents will be held at the Edson Hotel at 7:30 p.m. on Thursday evening.

The graduation exercises will be held on the school grounds beginning at 10:00 a.m. The Grand March will take place shortly after the exercises.

This year's graduating class of forty-one, together with their parents, the members of the high school staff and the

scale twelve pupils not participating in the graduation exercises, almost completely fill the available seats in the banquet room.

For this reason the "open house" of friends of the school has had to be reduced to a minimum. It has been found necessary to remove late members of the homecoming, scholarship dinners and of late a single representative from each of the senior classes.

The principal and the school board members are expected to arrive at 7:30 a.m. on Thursday night for the opening of the school year.

The school year will be held on May 21 and 22. The school year will be held on May 21 and 22. The school year will be held on May 21 and 22.

Holiday Post Office hours

Reduced Postal Service, Victoria Day, Monday, May 18th.
The post office will be open as usual from 8:00 a.m. to 4:00 p.m.
Mailbox service will be from 10:00 a.m. to 1:00 p.m.
No money orders or other bank transactions will be made on May 18th.
General mail and express will be on the normal week day schedule.

Lions auction big success

In spite of almost constant rain, the Lions Club auction was the most successful in the club's history. The sale was held on the common house floor parking lot last Sunday afternoon.
Much of the articles for the auction were contributed by the club members. A total of \$150 was raised. A total of \$150 was raised. A total of \$150 was raised.

At this time the public will be given an opportunity to inspect the recently completed Christmas library, etc., at the end of the school year. The school has been in use since September 1963.

The new A. J. Ashby, director of Education, will be the official ribbon. The new A. J. Ashby, director of Education, will be the official ribbon.

Special guests for the evening will be the former Edson school division inspectors, Mr. Peter Brown, Mr. Arthur Bradman and Mr. John Frazier.

Besides the official opening ceremonies and inspection of the school grounds will be able to see the display of educational material that the teachers of Edson are preparing.

Chuck Wagons Little Britches Rodeo highlight

Edson and District visiting rodeo fans will have the opportunity to watch the pony chuck wagons in action this year at the Edson Little Britches Rodeo on Saturday, June 6.

This type of pony wagon racing has become very popular in Western Canada and the US and is featured after the famous chuck wagon racing of the Calgary Stampede.
There will be racing at 1:00 p.m. to start the afternoon event and at 6:00 p.m. to start the evening event. They will be running an opportunity to see them. They will be running again at 6:00 p.m. with the fat racing events.
You will see the 4th Little Britches Rodeo held in Edson. The rodeo is a rodeo. The rodeo is a rodeo.

These young contestants are and level their pony for a whole year to have the opportunity of displaying their animals and their own skill. Without the chance it would be like training a hockey team and never playing a game.
The events that will be held and sponsored by local business and industry are as follows:
Event racing, a national event held at all rodeos and one of the most popular is a rodeo racing as a closer lead.

Legion Bingo raises \$201.50 for police fund

The Police Rehabilitation Fund committee of the Edson Branch of the Royal Canadian Legion will be pleased to announce the results of the bingo held on April 14th.

When all expenses had been cleared up the committee was able to send a cheque for \$201.50 to the Police Foundation.

The committee felt that the bingo had been very successful and more than they had expected to raise in holding a house to house raising of the town.

THE BIGGEST SHARE of the Adult Education classes gathered for this class photo following their graduating ceremony last Wednesday evening. The class members are enthusiastic and had a consistently good attendance during the term. The instructors are also included in this picture by The Leader.

ONE PROVINCE EQUAL TO ANOTHER?

Three points of policy as enunciated in the Pearson Government have placed in some measure the Province of Quebec in a position to speak on an equal footing with the other provinces of Canada. The first of these points is the new Bill of Rights, the second is the new Bill of Rights, and the third is the new Bill of Rights.

Hardly more than seven months ago, the Prime Minister was speaking in a similar manner. As you will recall he then developed three basic themes which remain as guidelines to the policy and actions of our government. First the voice of reason and moderation must be heard in the voice of extreme opinion and separatism from whatever it may originate in our land is to be heard and considered. Secondly, the sole possible bond between the French and English speaking peoples of Canada is the fact that they are Canadians. Thirdly, federal and provincial rights and responsibilities must not be confused and they must and they can be reconciled.

This newspaper agrees that the voice of reason should prevail. But in our opinion the voice of the Canadians of Quebec is entitled to have a full and equal partnership when they compare more or less a third of Canada's population.

The federal point is meaningless if one province or one national group is equal to the other nine provinces combined.

NO JUNIOR CITIZENS?

The Alberta Junior Citizens League program sponsored by the three media owned electric utility companies in the province, Canadian Utilities Power Ltd., in cooperation with members of the Alberta Weekly Newspaper Association, is now in its second year as a province wide effort. It is again outlined below the main points of the program.

1. Any child in Alberta, aged to sixteen, who has performed an outstanding deed since September 1963, is eligible for nomination.

2. The field of eligibility is wide and includes the following categories of achievement:

a) Outstanding heroism or fortitude.

b) Significant contributions to school, church or social life.

c) Achievement of scholastic success under difficult circumstances.

d) Personal courage while suffering from the effects of a prolonged illness.

3. Award winners will be presented with Canada Savings Bonds and a framed citation presentation to be made at the JWCNA Convention at the Macdonald Hotel this fall.

We feel that LAMB recognition to deserving young people in our community is a very worthwhile undertaking. At the same time it will foster a spirit of good citizenship among young people everywhere.

Last year when the awards were made at the annual convention of the Weekly Newspaper Association, we were very fortunate. We had to try and make sure that no one had been overlooked. The award is a very worthwhile undertaking. At the same time it will foster a spirit of good citizenship among young people everywhere.

Hyland qualifies for All-round

The first qualifier to qualify for the All-round title this year Keith Hyland of Turner Valley, made the grade at the Region Finals in Calgary. To qualify for this title a contestant must place first in any one of the three events: freestyle, all-around or vault.

Mr. Hyland, a member of the Turner Valley team, was one of the best in the West. He placed first in the vault and second in the all-around.

Mr. Hyland's coach, Mr. J. Hyland, said that his son was a very good athlete and that he was very proud of him.

Winners were: Mrs. John H. Hageman, Pauline, Ladies High, Mrs. Betty Foster, co-mistress, Mrs. Virginia Berger.

Chuck Wagon a feature

Continued from page 1
C&D riding, one of the most popular and most enjoyed events is judged on a point system similar to the barrel horse riding. These events attract a good number of young cowboys who may be seen at a horse in entry other events. It is always a thrill.

Flag picking, an open event for boys and girls is a timed event with four states with flags positioned ten feet apart and 40 feet from a barrel. These flags are picked up one

at a time and dropped into the barrel. This takes considerable skill and speed because the barrel is moving.

WILD HORSES

The wild horse race for boys 16 and under. As in the barrel racing rolls have been used. These animals have never been ridden and it is the task of a team of three young cowboys to lead and control the horse in a race with four states with flags positioned ten feet apart and 40 feet from a barrel. These flags are picked up one

at a time and dropped into the barrel. This takes considerable skill and speed because the barrel is moving.

The certificates are awarded by the General Motors Technicians Guild on the completion of various degrees of tests and study on all phases of General Motors products. The certificates varied from two to nine year certificates with the most of them being six year awards. The certificates are for extra O&A training over and

above the regular journeyman qualifications. Left to right back row are: Ben Eldridge, Jim Johnson, Joe Kary, Vince Taylor, Jim Hinchey, Dave Simpson, Will L. Moore, Bill Gendrecht and Ted Semerick. Front row are: Dave Mathews, Harry King, Fred Heavens, Alva Schuchman, Bob Rabston, Fred Chely, Doug Hinden and Henry Van Hout.

Time to Shake Out that Oil! Welcome Mat!

Yes, our good friends the tourists
will soon be here once more,
attracted by all they've heard
about Western hospitality. Last
year these nice people spent
over \$115,000,000 with us.
So let's do all we can to give
them value for their holiday
money. First, let's get ready to
entertain company. Take a look
around your community and see
what you can do to make it look
like a place where visitors will
want to stay.

Paint up—then up—grace up.
Make sure local directional signs
point to places of interest and
in good repair and easy to read.
Then, when we're sure our
Province is looking its best, let's
see what we ourselves can do for
our guests. Let's be courteous,
helpful and friendly.

Be Courteous

Give a smile with your service.
Courtesy costs nothing, but
its price is above rubies. Let
our visitors remember Alberta
as the Province with the good
nature.

Be Helpful

Do all you can to
help strangers
find their way
around. Give
them as much
useful information
as you can. Help
them to know and
love your
Province.

Be Friendly

It's nice to get acquainted.
Talk to tourists in
campgrounds and recreational
areas, tell them about your
community's activities and
attractions. Let them know
you're pleased to see them,
and encourage them to prolong
their stay.

Jobs more plentiful for graduates

Are you a high school graduate wondering where to start looking for your first job? The National Employment Office can help you. It is a place where training can be obtained in what industries you can be found, what the pay and working conditions are, and what the chances are for promotion.

High school graduates are readily placed in jobs, but it is very difficult to place students who failed to finish high school.

Many boys and girls looking for work to commence their careers are not adequately qualified, because they have not had the proper education. They are not — it will pay off when you do graduate and find the right kind of job.

Girl Guides

At a recent meeting of the 1st Eddon Girl Guide Council, mothers saw their girls — living first and through the use of cameras make for more interesting reports.

Others of the girls, who have made for the evening, have earned out of service. It will call the local formation, for first game and patrol can be where the first and star girls were placed on the even days work.

A number line was given to the girls under the direction of the girls who were to come for a short time before the girls do appreciate the work.

The meeting closed with the singing of the hymn, followed by a prayer and a song.

McLeod Valley Ball League schedule

Members of the McLeod Valley Baseball League have set up a schedule for the season.

Play will start on Sunday, May 22 at Marlboro and Marlboro. At that time Marlboro will play host to Marlboro and Marlboro will host the Marlboro team.

Next, May 23 will see Marlboro at Marlboro and Marlboro will play at Marlboro.

This is a different way to spend a sunny Sunday afternoon. It is not just the family in the car and back for ball. They will witness your own and you should enjoy it.

COUNCILLOR JON SCOTT looks over a copy of The Albertan which carried a story this week to the effect that Mr. Scott was one of eight Tories who were available to contest the leadership of

the Alberta Conservative party. The story took him by surprise, but Councillor Scott confirmed that he is interested in seeing that the Conservatives pick an able leader.

1964 Graduates honored in Edson

On Thursday and Friday evenings of last week the first graduates of the Edson High School were honored at a banquet, graduation exercises and formal dinner.

On Thursday evening in the hall, president of the Student Union, pointed out the importance of the role of the principal in any school. He also pointed out the importance of the role of the teacher in any school.

Barbara Marshall, secretary of the Student Union, presented the Toast to the staff. Mr. J. P. Wagner replied on behalf of the teachers, stating that the staff is proud to have the students in their school.

In reply, on behalf of the graduates, Rowan Galbraith presented the Toast to the graduates. He stated that the graduates are proud to have the staff in their school.

Considerable interest in gas plant meeting

Considerable interest is being engendered by the public meeting being held next Thursday evening to explain what the proposed gas plant near Edson can do.

The meeting is being arranged on behalf of the operators of the Edson Gas Field by Husdon's Bay Oil and Gas Company Limited.

Among the petroleum industry officials who plan to be on hand is Mr. D. C. Jones, vice president of production, of Husdon's Bay of Calgary.

Arrangements for the meeting which is being held in the Edson Legion hall at 8 p.m. Thursday, June 4, are being made locally by John Koller, representative of the company.

Members of the local Auxiliary in the Royal Canadian Legion will serve coffee and lemonade following the meeting.

Edson-Windfall road passable this year

The Edson to Windfall road will be brought to "passable" standards this year according to a statement by the Hun Norman Wilmore.

Provincial government budgeting this year allows for \$25,000 being spent this year in Local Improvement District 100 to join the roadway completed around "Big Top" hill to the Windfall plant road network.

In addition \$100,000 has been appropriated for work on Highway 52 from the south part of the connection with what was built last year north of Spruce Plains.

Both grants are from the province at the time with in-kind contributions from the local government.

The straightening out of the road at Windfall will also give Alaska Highway traffic a more direct connection with Highway 52.

BURTON DANIELS AND ED EDWARDS took down at the windfall that Burton won last Saturday evening when he called "Bingo" on five numbers and claimed the jackpot of \$185. Burton is a committed officer at the Legion Binges and feels he is lucky to be averages a fair number of wins. He said that before he left home when he told his family he was going to win the "jackpot", and he did. The jackpot starts over again at \$100 this Saturday, still a nice amount to take home.

MILL TURNS OUT MILLIONTH TON

7 year history transforms area

Another milestone was reached in North Western, Pa. & Paper Ltd.'s production record last Saturday when the millionth ton of 10-Brite Kraft rolled off the production line.

During the time it took to produce a million tons, countless people have come and gone, a town has grown from almost nothing to one of the most modern in Alberta and 10-Brite Kraft, the whitest kraft paper in the world has become known the world over.

Without North Western, Hinton would very likely still be a little village sleeping quietly at the side of Highway 16. The forest surrounding the area would still be mainly in its wild state, the source of wild life with only the odd lumber camp or oil exploration camp to break the stillness.

Other sleeping towns along the way to one million tons include The first disaster here on 28 May on April 16, 1957. This was the first step in actual production. The first sheet of 10-Brite Kraft was produced on April 28th, 1957 after 8 p.m.

The formal opening of the mill came on June 28th, 1957 and was attended by company officials from all over North America as well as provincial and Dominion government ministers.

Five hundred tons a day was first produced in April 1960 and more than three years later, on October 4th, 1963 the peak daily production of one ton was reached. Average tonnage per day is 3,000 tons, which is almost 100 times more than the plant was rated at originally. Now with its improvements and modifications the plant has reached its higher rating.

Most of the kraft produced in Hinton goes to the open market in the mid-western United States.

From the time, may back in April 1957 when the first batch of unbleached pulp appeared.

3rd Art exhibit in Murray's next week

The public is invited to view the collection of 12 oil paintings which the Hinton Art Club will be exhibiting in Murray's Drug Store next Monday, Tuesday and Wednesday, June 1st, 2nd and 3rd.

The exhibition is the 3rd of the Art Club has sponsored like ones. The first one raised considerable money, for the purchase of a new building, and the second one is being held to raise money for the purchase of a new building.

The exhibit contains twelve paintings on loan from various communities in Alberta. Each artist includes still life studies and landscapes. They feature realistic rendering in good academic work with a wide variety of approach.

Highway Dept. agree to paving of 4th avenue

Calgary Power Ltd. have already begun a program of moving their poles and cross lines to the alleys South of the Highway as part of the overall plan to widen the Avenue as well.

Sidewalk program being advertised this week

The technical authorization by the Local Authorities Board was obtained to use the money for such projects as the deepening of the sewer line on 3rd Avenue East to 49th Street. This avenue is scheduled for paving this year and the sewer line has been a constant source of trouble to the Works Department.

Tourist Info Bureau opened for summer

With Mr. LeStrange were Mr. Ted Krueger, immediate past president of the Alberta Tourist Assn.; Mrs. Jessie Robertson, assistant curator of the Drumheller Museum, and she brought greetings from the Drumheller C. of C. to the Edson community.

The Department has prepared two maps which are of benefit to direct tourists to the fish and game areas surrounding Edson.

Mr. H. R. MacDonald and Mr. K. F. Robins are staffing the Edson Bureau again this year, and from all indications they will be kept exceptionally busy.

Announces Hwy. 16 projects for summer

Two projects on Highway 16 have been included in the highway program for this summer according to an announcement from the Hon. Norman Wilmore.

One, on which work was received by the Town last week, is the grade widening with a stabilized gravel base course and plant mix of the highway through Edson at 4th Avenue.

The mileage is 2.34 and the project includes the acquisition of extra road advance by the Town on the west end of the stretch.

The other surfacing job for this summer is the putting of plant mix on 10.43 miles of Highway 16 east of Sandstone Creek to Galloway. This is the surfacing coat on the highway straightening job carried out last summer.

EDSON IDEA ATTRACTS NATIONAL ATTENTION

Edson got some new publicity across Canada in the double half hour article featuring "The Coffee Shop with the View." The article, which circulates with most of Canada's dailies, was written by a writer from the west of the United States and is being read by Mrs. L. J. McCarroll and expertly served by the restaurant of husband Dan McCarroll, last seen when he was in the States.

The first few names to appear attracted little comment and the walls have thick with the names of people who have passed through Edson and contributed their dollar to a place on the Cafe with the View. The article is of interest and wonder.

Congratulations to Ed and Dan and staff for getting Edson such wide-spread publicity.

Big Cash Binge this Saturday

Regular bingo fans and newcomers alike are invited to get in on the winnings as the Open Air Cash Binge this Saturday evening according to advance ticket sales.

The house committee of the Royal Canadian Legion, 901-903-905, are proud to host the Open Air Cash Binge this Saturday evening according to advance ticket sales.

The prizes are well worth trying for a total of \$15,000 will be given away. The big 15 games of 100 there are prizes of \$100, \$50 and two winning advance ticket prizes will also be given.

The weather doesn't look too promising for the day, but it won't matter to the legion game as it will be held in the open. Cash prizes will be awarded to the winners and a variety of prizes will be given to the winners.

The games get underway at 7 p.m. so patrons are warned to be there early.

Increased mail service for local patrons

A change in mail delivery for the Edson Post Office has been put into effect, to permit a later closing time for patrons wishing to get their mail connection with the local office.

Mail previously closing at 10:15 a.m. via Train No. 2, daily as of July 1st, has been cancelled.

In its place the Department of Posts, better service to the patrons will be given by the closing of the mail via Train No. 2, closing at the Edson Post Office at 6:00 p.m. daily for Train No. 10 on Saturdays.

Patrons wishing to get their mail by the new service, will be advised to arrive at the Post Office at 5:30 p.m. on Saturdays.

Train No. 10, effective Sunday, June 14, is on a 10:15 basis, whereas the previous service via Train No. 2, was Sunday through Saturday, with an mail leaving the Edson Post Office after 10:15 on Saturdays.

It is felt that the new service, departing Saturday at 6:00 p.m. and the following day at 10:15 a.m., will be of considerable benefit to those patrons wishing to get their mail by the new service.

Complete information on the new service will be given by the Edson Post Office.

Pure bred bulls to improve local cattle

Bill Smith made a trip to the Lacombe Experimental Farm last week and returned with seven fine short horns for sale on a local basis.

Heard Chapman made the arrangements for the sale of the bulls and will upgrade stock quality. The bulls are of pure bred (the Federal Department of Agriculture).

Some of the bulls were 1000 pounds and still only a year old, which means considerable improvement where they were first seen.

This being so about 14 the stock on hand in the area, the experimental station have had to keep some of their bulls in market due to the lack of interest among farmers in the province.

All that is needed is to get some improvement from the local stock to the farmer's farm.

RACES DRAWING INTEREST

The canoe, kayak and boat race being organized by the Edson Yacht Club on Sunday July 19th is drawing a lot of interest. A number of persons who plan to enter have already made final plans to try the course and their craft.

The river has been unusually high this spring and the rain over the past week or two days has kept it rising higher than normal.

Vehicle service leaving the Edson Yacht Club through Friday morning will be at 7:00 p.m.

The race will be held on the river from 2:30 to 3:30 p.m. The finish line is at Wilmore Park, 4 miles south of Edson. It is here that the most activity will take place for those waiting for the race to come over the finish line.

Complete information and entry forms is carried elsewhere in The Leader.

INCOMING LION PRESIDENT Lloyd Bennett, centre, here flanked by husband of the Lioness Club for Post President Murray Greer, left, and Mrs. Greer, right, at a luncheon last week. Mrs. Greer served as president two years ago and then took over for Murray Greer.

Gravel for Highway 16 projects has been hauled this week from the gravel pits and is being used for the projects which will be carried out this summer.

OVERSEEN BY STREET CREWMEN — Two children were waiting past the digging operation going on in the street of the Town of Edson ready for paving this summer. Said one: "What are they doing?" Answered the other: "They've found a smooth spot."

Town to try out Street Washing

A letter from the Edson Chamber of Commerce, emphasizing with respect to the main streets of the town, on the street of the Town of Edson ready for paving this summer.

The notes of the sewer in the area of the Chamber Hotel and east from the sewer in all areas causing the Chamber same concern.

The secretary was instructed to advise the Chamber that the paving of the street is expected to improve conditions. In the meantime, the town will try out a hose washing program in an effort to clean up the streets.

Evolution of Jack on Ensign

Dear Sir
After referring to some unfounded statements regarding the Red Ensign by a group of Whitecourt residents, I would appreciate your repeating the enclosed letter. I wrote another paper

Since I have heard some people say that the Canadian Red Ensign has no tradition, how much tradition can you get from a discontinued cross? The best of the Canadian Red Ensign, gone right back to the heart of the Christian Religion. And yet we have Canadians who say that should be replaced.

What is the history of the Red of Canada and how did it evolve? There is a tale after the death of Christ. Christianity spread throughout the Roman Empire, and the cross became a symbol of Christianity. The cross was used by the Romans to execute criminals, and the cross was used by the Christians to symbolize their faith.

Only the lucky ones get a chance at antelope

Antelope hunting has become an important part of the life of many hunters in the West. The antelope is a valuable source of food and clothing, and it is also a symbol of the wilderness. The antelope is a hard animal to hunt, and only the lucky ones get a chance at it.

The Canadian Red Ensign was adopted by order-in-council in 1907. It was a cross with a red field and a white saltire. The cross was used by the British Empire, and the saltire was used by the Canadian colonies. The Red Ensign was the flag of the Canadian Empire.

Congregation dedicate completed Peers church

The newly completed Christian Reformed Church congregation at Peers and friends from surrounding congregations filled the church in overflowing last night for the dedication of the recently finished upper story.

The congregation was joined with a beautiful psalm sung on November 17, 1935, on the 10th anniversary of the church's founding in 1925 and in July 1935 a building fund was started.

To mark the beginning of the new upper story, which Albert Hansen played during some of the special services from the gathering.

The Rev. E. C. Holmquist, minister of the church, presided over the service. Mr. George Hansen acted as chairman for the evening, introducing the various guests from the city and the district.

Albert Valente read the history of the church in Peers in which he related the difficulties of obtaining a permanent building and the many who helped during the construction of the building and the paragon.

Long time Edson lady dies at Red Deer

Mrs. Elizabeth Thompson, wife of the late Andrew Thompson, died at Red Deer on July 1st at the age of 88.

Mrs. Thompson came to Edson with her husband in 1912 where the Thompsons lived for a time. Her husband worked at Telford for a time in the CWS car department in Edson.

Mr. and Mrs. Thompson moved to Edmonton several years ago and later moved to Red Deer where they had since lived. Mrs. Thompson was 15 years old when she married Mr. Thompson.

Mr. Thompson of Edson was a pathfinder. The Andrew Thompson and John Thompson families, although not related, had been friends of long standing.

Threat of rain failed to keep away the hundreds of people who gathered at Wilmore Park Sunday afternoon to see the conclusion of the Tri-Service Association's first annual River Derby.

Trophy winners in the four events were: 17 mile canoe race, Ed Rowley and E. M. Thompson of Edson; 5 mile canoe race, Al Taylor and Joe Houghton of Edson; 15 mile kayak race, Al Walker and Ernest Kinnear of Edson; 15 mile rubber dinghy race, Fred Markowicz of Edson.

The 5 mile kayak race had no entries in spite of earlier indications that several local boys planned to begin practicing early in the season and be all ready to win the Griffiths Motor Trophy which so far has no winners have been named.

The 17 mile canoe race of 1936 from Edson. Pledging the most entries. Pledging positions for the canoeists after the Commodore boat. Trophy winning team of Edson and Edson were Ed Rowley and E. M. Thompson of Edson; 5 mile canoe race, Al Taylor and Joe Houghton of Edson; 15 mile kayak race, Al Walker and Ernest Kinnear of Edson; 15 mile rubber dinghy race, Fred Markowicz of Edson.

PASTOR OF STONY PLAIN CHURCH

Pastor Rev. E. O. Holmstrom conducted the impressive dedication service for the newly finished Christian Reformed Church at Peora on Friday evening last. Decorated in pleasant light

colors complemented by natural wood effects, the church is a fine example of what can be done with materials at hand, as illustrated by the natural wood trim set in the background of the nave.

PROUDEST ADDITION TO THE

PEORA Christian Reformed Church which was dedicated last Friday evening in the organ which was put through its paces by Albert Rolness to the delight of the well filled church.

Chamber offering prizes for Western motif garb

To help promote Edson's annual rodeo, prizes are being offered for "Go West" Westerns by the Edson Chamber of Commerce.

Two prizes, \$50 and \$25, for the two business establishments that have done the best job of "Go West" Westerns, both in establishment decorations and employee apparel.

In cooperation with the Trifurcated Rodeo Association the Chamber is going all out to make Rodeo days from July 21 to August 1 a memorable occasion for Edson and District.

To mark the start of Rodeo, a parade will be held in the town square. A parade is to be held through Edson streets in support of the rodeo. It is expected that the parade will arrive at about 2:30 and will be met at the Main Street and Central intersection with suitable applause.

Some talk of appointing an unofficial sheriff to help people into doing something.

YOU DON'T NEED TO USE NEWSPAPER ADVERTISING IF YOU THINK SO, THEN....

PREACHERS — Should preach only one sermon or so a year. We are all against sin anyway, so why harp on it?

TRAFFIC LIGHTS — Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

TEACHERS — No need to review lessons. Tell the children just once and they'll never forget.

HIGHWAY POLICE — Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

MAIL ORDER FIRMS — That send catalogues are wasting their money. Everyone knows what is sold at stores in town and of course they'll all shop at home.

IF YOU ARE ONE of the foolish kind, like the Notre Dame Cathedral that has stood for six centuries but still rings the bell every day to let people know it is there, and if you believe in constant profitable advertising, then you will —

ADVERTISE IN THE EDSON LEADER

THE SHRIMER ORIENTAL BAND with their colorful music and costumes to the Car Derby Parade.

Educated dogs feature at Edson Rodeo

One of the most enjoyable and profitable features in the entertainment world today will be offered in Edson today when the Shrimer Oriental Band, led by Edson's own band leader, will perform in the arena. The band, which has been in existence for many years, is one of the best in the province. It will be joined by the Edson Rodeo, which is one of the largest and most popular events in the area. The rodeo will feature a variety of events, including bull riding, barrel racing, and team roping. The band will also perform a variety of songs, including traditional folk music and modern hits.

They can always be depended upon to draw laughter from the crowd with their antics.

Recently the highly educated and well-trained dogs of the Edson Rodeo, which are usually trained by the same people who train the horses, have been featured in a variety of events. These dogs, which are trained to perform a variety of tricks, including jumping, running, and balancing, have been a great attraction for the crowd. The dogs are trained by a variety of people, including professional trainers and amateur enthusiasts. The dogs are trained to perform a variety of tricks, including jumping, running, and balancing. "Restricted Adult" new film category
Alberta moviegoers may soon have a new category of films to choose from. The new category, "Restricted Adult," will be introduced by the Alberta Film Board. The category is designed to allow moviegoers to choose from a wider range of films than the current "Restricted" category. The new category will include films that are suitable for adults only, but which may contain some material that is not suitable for children. The category will be introduced in the fall of 1964.

THIS WEEK EDSON RODEO DAYS

Edson Leader Colorful parade to get Rodeo started next Friday and Saturday

The Voice of Edson Community and WESTERN WEEKLY SUPPLEMENT

FIRST SECTION Edson, Alberta, Thursday, July 23, 1936 Vol. 11, No. 30

CABINET MINISTERS, M.L.A.'S AND ALBERTA
Government officials were stopped by unofficial sheriff's deputies at the corner of 4th and Main Tuesday afternoon, "branded" with ribbons — and

Starting on Friday with a colorful stampede parade Edson's Seventh Annual Rodeo will provide real entertainment for local crowds and the increasing large number of visitors who have found that the two county camps and rodeos are a tonic for the spirit. This week The Leader is running a special supplement to give some of the highlights of the spectacular two days. See section three of this week's paper.

We know we are saying what all Edson people think — welcome to all visitors for our annual rodeo. If everyone goes out of their way to make our district will maintain its reputation for being the friendly — and — Western town.

Edson swim meet Sunday

The fifth annual Edson Swimming Meet will take place this Sunday, July 26 at the Hamilton Pool. Starting time is 1:30 p.m. sharp.

The meet is being staged by the Edson Swimming Club and will have clubs from Hinton, Brooks, Valley as well as Edson competing. This is the Western Division.

Thirty nine (39) plus a number of visiting diversification will give the meet a very enjoyable afternoon. The meet will be held on the Hamilton Pool, and there will be a picnic for the boys and girls. Admission is by other collection. Refreshments are now being served by the annual summer luncheon. See the front page.

Trials and Tribulations of Early Day Travelling

BY FERN ICE

We've had visitors tell what makes Alberta the frontier town in the west. It is not only the beautiful scenery, lovely weather, or merely good Old Western Hospitality. It is usually a good thing, a good helping of each plus an abundance of pride in our province.

Albertans are proud of Alberta and justly so. Millions from other provinces and Canadians from other provinces are highly impressed with our roads and

most elegant over our camp facilities, but there was a time when these did not exist. When these did not exist, the early day travellers found it a real trial. They found the roads were so bad that they were forced to travel in what was called a "bush".

This condition was caused by the fact that the roads were so bad that they were forced to travel in what was called a "bush".

Any way several passengers and their families were travelling in the early days. They were travelling in the early days. They were travelling in the early days.

Awarding prizes for Western decoration

Edson businesses have taken on a real Western look this week as management and employees "dressed up" in competition for the two prizes offered by the Edson Chamber of Commerce.

Prizes of \$50 and \$25, for the two business establishments that have done the best job of "getting Western" in their establishments. This has resulted in some very interesting and clever decorations and displays. A number of prizes have been awarded in the past.

A number of prizes have been awarded in the past. A number of prizes have been awarded in the past.

TO REMIND HIM OF EDSON the Hon. Herman Wilton was presented with a real Western scene by President Jim Griffin of Edson Chamber of Commerce as sheriff's deputies rounded up his fellow members of the Alberta Government

NATIONAL SALAD WEEK

July is Salad Month in Canada and the week of July 22 to 28 has been designated National Salad Week.

The purpose is to promote the use of raw fresh vegetables in the diet, food items which are necessary all year round as sources of vitamins and fibre.

Salad eaters encourage consumption of fresh salad ingredients, the time could not be better for including a salad a day on the menu.

The three C's of salad making should be kept in mind. Make your salads Clean, Cool and Colorful.

Leftovers and refuse are the standards for garbage in your kitchen but there are many other items which could be made. Try such items as potato, carrots, lettuce, tomato, cucumber, onion, beet, green beans, peas, and corn.

Salad should be served next year if they are unfamiliar items. Get variety in your salads by adding more unusual foods such as cauliflower, artichokes, mushrooms, and green peas.

Seffens, their annual ball tournament, will this year to coincide with the Antique Car Derby Weekend the Hinton Hill dies have lined up a six team format to be played off for the Frank McCann trophy.

The tournament will start Saturday at 12 o'clock with the H-Hites meeting the Union Football Assoc. All Stars.

The second and last game of the day will be between Drayton Valley Oilers and

H.A. SWITZER, GRAND TRUSTEE OF THE B.P.O. ELKS OF CANADA attended the 32nd annual convention of the B.P.O. Elks of Canada held in Nelshton Park July 27th, 28th and 29th. The delegates from this province were a number 1400 Elks present from across Canada, the Northwest

The delegates heard James F. Green, Grand Exalted Ruler of the BPO Ekl of Canada speak on the national objectives of the Order, the "Ekl Purple Cross Fund." Mr. Green said in address to the delegates that the fund is solely supported by contributions

"This fund is unique in respect to other national charities," he said. "It does not name any specific disease or illness, but provides assistance for any child 16 years of age and under in Canada." In the last year the fund has spent countless of thousands of dollars providing assistance for Canadian children regardless of disability, race or colour, he concluded.

Inclement weather fails to dampen Rodeo enthusiasts

Extensions probable in Edson Gas Field

The "Edson Lake" in the local gas field is called in the Calgary Herald. It is apparently going to be larger according to a story carried in this week's issue.

As explained at a public meeting here several weeks ago the Edson Gas Field was apparently 25 miles at its widest part. Now indications are that this may be extended to 30 miles. Both the southeastern and the west side are being extended.

The T. Petroleum is busy trying to extend the length of Wolf Creek and Champion oil and helium are taking a crack at the same extension game over the south of the extension of this specific end.

According to this week's issue, a new well was added to the Edson field, and when the new field and gas dropped in a million dollars, for a 10,000 acre field, it was a big win for the Edson Lake.

While a small extension of the present area of the field is being made, the Edson area is a first prize of 10,000 acres. The Edson area is a first prize of 10,000 acres. The Edson area is a first prize of 10,000 acres.

Jack did a masterful job of summarizing the various possibilities of a ship plane to North Western. The ship plane to North Western. The ship plane to North Western.

Decoration contest winners

Winners of the Edson's home of a decorative prize for the most cooperatively decorated home, establishment and the most stupendous had been announced by President Jim Griffin.

First place was taken by Herb and Lorraine Berger and Jack and Marshall Berle. Second place was taken by Tom and Jerry. Third place was taken by the Edson family.

The Edson family also won with their entry of the vintage house for the Edson.

It never fails

The rodeo is sure for an other year and now the can come out. Well that's the way and if it takes a while to get on the way, it will be a while. It will be a while.

The Edson family also won with their entry of the vintage house for the Edson.

THERE WERE LOTS of these crowd pleasing events in spite of the inclement weather at last weekend's two day annual Edson Rodeo.

Ball tournament rained out at weekend

Plans for a ball tournament at the Brule Hotel on Saturday and Sunday were rained out. The tournament was scheduled for Saturday and Sunday, but heavy rain on Saturday night and Sunday morning made it impossible to hold the event. The organizers are hoping to reschedule the tournament for a later date.

Fishing Bulletin for Jasper National Park

LAUREL For period July 27th to August 15th, 1964 inclusive. Angling continues to be fairly good. The fish are getting smaller. The reason for this is the reason of greatest abundance of natural food. More preference and pressure is being put on the fish now. Each fish one must be angling when the feeding period is in progress. It is at this time that the fish are most wary and you have greater hope of having some of them. The fish are shy. The fly fishing is likely to be the most productive method of fishing during the period.

period. Watch for salmon here.

Waters within 9 miles of Joplin for Tenorio.

Pyramid lake, Nye and Ariz. The former are being taken mostly on flies or trout. The latter require deep trolling this time of year.

Small fish are being taken on flies. Large ones with salmon clusters, fishnet deep.

Angling has slowed considerably. Deep trolling may produce good fish up to a pound.

Small fish. Hancock up to 2 pounds taken mostly on evening by fly fishermen.

ANOTHER OF EDSON'S LANDMARKS is falling before the march of progress as the old Edson Theatre goes after the job has been closed. This is one landmark that holds many memories for Edson and district residents. Memories of Saturday afternoon matinees for the very young, secret hand holding for the next step and disconcerting romance, many a day afternoon matinees. The decision to demolish the old Edson Theatre was made by Foster Theatres Ltd. after they had purchased the New Theatre.

It was that although she is not alone and suffers as yet she is progressing well. Fortunately following surgery in a car accident on August 15, Mrs. Appleby was severely injured when she was struck by a car while crossing the street. She was taken to the hospital where she underwent surgery. She is now recovering well and is expected to be home in a few days.

Jack Ready wins best Edson open Tournament

Winning the Edson Open Golf Tournament is going to be a hard job with Jack Ready of Edmonton who defeated everyone in sight to again win the Championship title. The final match was when with Perry Wells of Edson leading until the 6th hole when Ready won.

The 7th proved to be the problem hole again with both golfers getting into trouble but Ready winning the hole. Two more pars for each golfer ended the match for Ready one up.

Getting to the final Ready disposed of John Walker and Bill Cooper while Wells beat Jim Hunter and Reg Gerritz.

The Tournament was the most successful one yet held in Edson and the best held in Alberta so far.

Legion Picnic this Sunday

Edson and their parents are more than ready for the annual Legion picnic this Sunday afternoon. The picnic is being held this year at the Legion grounds.

There will be the usual games, races, and lots of food to eat. The picnic is open to all and everyone is invited to come.

Anyone who does not have a ticket to the picnic should call the Legion office at 101-1011 and 101-1012 to buy one.

Edson Centre again wins Craft Scholarship

The Edson Craft Centre has again won a scholarship from the Alberta Government for its display in the craft show.

The scholarship was one of two awarded this year by the government. It was either used to train a member of the centre or to have an exhibit in the centre for members.

A display of pottery, both new and antique, was shown this year at the exhibit.

The Edson Craft Centre is a group of interested individuals who are interested in the craft of pottery.

The centre is open to all and anyone is welcome to visit.

While the profit was a modest \$634.09 on the black side of the ledger, the huge project could have been disastrous without the hard work and planning of the Redco committee from the three service clubs.

This year's Chairman Jack Hook gave a general review of the year and took time to pay tribute to members of the Kinsmen, Lions and Optimists, local businessmen and the many others who helped give Edison district its Rodeo this year.

Most of the various activities sponsored by the Madras group showed a profit, but the attendance drop at the gate cut in severely.

It is expected an organizational meeting to start planning for next year's program will be held later in the fall.

THE SMALLER THEY COME like bigger the fish. A few weeks ago The Leader carried a picture of Ted Bernacki holding a big rainbow trout which he had caught in Miller's Lake. This week Ted's 8½ year old son, Keith, caught a fish to be recorded for posterity with an even bigger rainbow which was also caught in Miller's Lake. Keith's fish was 21 inches long and weighed 3½ pounds. He caught it Sunday evening and it is only the second fish he has ever caught. Keith says: "Now they can eat it's fish, cause they have a bigger one to put in the deep freeze."

YOU DON'T NEED TO USE NEWSPAPER ADVERTISING IF YOU THINK SO, THEN....

MAIL ORDER FIRMS — They send catalogues everywhere their money. Everyone knows what is sold at stores in town and of course they'll not shop at home.

HIGHWAY POLICE — Stop driving up and down the highways. No need to caution drivers by patrolling highways. Drivers know the law and should obey.

PREACHERS — Should preach only one sermon or so a year. We are all against sin anyway, so why harp on it?

TRAFFIC LIGHTS — Should be turned off at dangerous intersections to save electricity. Everybody knows it's a dangerous spot and that is sufficient.

TEACHERS — No need to review lessons. Tell the children just once and they'll never forget.

IF YOU ARE ONE of the forthright kind, like the Notre Dame Cathedral that has stood for six centuries but still rings the bell every day to let people know it is there, and if you believe in consistent profitable advertising, then you will —

Education Minister agrees Board action within School Act

Members of Edson School Division Board are fighting in their decision to ban high school pupils from Edson Central high school to Edson and Edson II as agreed by Minister of Education, Mr. Bennett.

The Minister expressed the opinion when a delegation from the School Board met with him and the Deputy Minister, Dr. W. M. Smith on Wednesday. Included in the Edson delegation were Chairman G. Bennett of Power, Trustee A. W. Leonard of Edson, and Superintendent of Schools A. Jordan.

The largest of them had been over a week protesting, numerous meetings in the city press and TV, calling the headlines. Nihilist residents' interference school setup, their children in the city. Nihilist parents and children, they generally are, they are moving in full the school and say they will not send their children to school until such time as the division is "reformed".

Main point of the protest, aside from being the high school facility at Edson, was the claim that Nihilist children would have to be picked up on a bus service and that the Nihilist children would have to be sent to the Nihilist school without supervision from 9 to 4 p.m.

The School Board have an intention to continue a transition period about 20 minutes before and after the school hours and still make the Nihilist children go to school on time. The Nihilist children will be sent to school on time. The Nihilist children will be sent to school on time. The Nihilist children will be sent to school on time.

Wm. MacDonald honor guest at Lions meeting

Members of the Lions Club met for their first supper meeting of the year on Thursday night, Sept. 16, at the home of Mrs. MacDonald. The meeting was held at 7:30 p.m. and was attended by about 25 members and guests.

Staffing the tables this year were Mr. Wm. MacDonald and Mr. R. J. Roberts, who were assisted by Mrs. MacDonald.

The Lions Club is a non-profit organization that was founded in 1917. It is a worldwide organization of men who are interested in community service. The club's main purpose is to improve the lives of the people in their communities.

The Lions Club has many projects and programs that it runs throughout the year. These include sponsoring children, providing food for the needy, and organizing social events. The club is always looking for ways to help the community.

The Lions Club is a very active organization and is always looking for new members. If you are interested in joining, please contact the club at 123 Main Street, Edson, Alberta.

Present numerous awards to High School pupils

Before a general assembly of the staff and students of the Edmonton Senior High School, various scholarships, bursaries and prizes were presented to deserving pupils on Friday afternoon, September 18th. Many relatives and friends of the recipients were in attendance.

Representing the Edson Mayor Company, Mr. Ted Hilder presented a \$500 scholarship to Ellen Tress as the student receiving the highest average on the grade IX departmental examinations. Mr. J. M. Walter Foster of the Edson Snow Hotel presented a similar award to Juliana Marrett for securing the highest mark relation standing in grade X.

Mr. Bert Kuffer of the Commodore Hotel divided the grade XI \$200 scholarship between Brunelle Pinkie and Dennis Calvert who tied for highest in that grade. Mr. Kuffer also presented the grade XII scholarship of \$50.00 to Mary Jane Robinson and Dennis Calvert by Mrs. Marion Calvert.

The Edson Capt. Mrs. Chas. decided this year to divide their \$100.00 bursary equally between Karen Fushman and Barbara Marshall. The awards were made by the club president, Mrs. Rita Perkins. Mrs. Elsie Lawson, Secretary of the Ladies Auxiliary of the Edson Legion, presented a prize of \$25.00 to Dennis Calvert for securing the best marks in grade XI in English Arts.

The Lord Mahon Memorial bursary of \$100.00 was presented to Mary Jane Robinson on page 18.

Council seats filled by acclamation

For the second year in a row Edson voters will not have an election day. With the Mayorally seat and two Councilor positions open this year only enough nominations were received to fill the positions.

Returned by acclamation were Mayor W. R. Brunelle, Councilor M. D. Meade and Merton A. Collins. W. R. Mills was nominated, but later withdrew in favor of sitting Councilors.

The Mayorally office is for a two year term while the Council terms are for three year duration.

The two positions of Trustees for the Edson School District Board were also filled by acclamation by Elmer C. Amler and Steve Sukavina. They are three year terms. Other members of the Board are John Pattinson whose term expires in 1965, Merton A. Collins and Weldon F. Tully whose terms expire in 1966.

The Edson School District Board is distinct from the Edson School Divisional Board.

Plans Laid For Edson's Fall Shopping Festival

Through the initiative of several citizens that something should be done to celebrate the opening of Main Street's new look and 4th avenue improvement, the Chamber of Commerce have gone to work to make it a great occasion.

Planned during the reorganization of merchants, a gigantic fall shopping festival with all the trimmings has been set for the days of Oct. 21, 22 and 24. In order to correspond with competition dates and available dignitaries.

With the opening of some new businesses, expansion of others under new management and incentive bargains by all will no doubt tend to attract huge crowds to Edson for the big days.

The Leader wins again

Results of the Alberta Better Newspaper Contest have been released and show that The Leader has once again come up a winner. In its class of over 1,000 circulation.

The Leader won a third place certificate for Best Editorial Page.

In sending in sample is now for the competition each publisher is asked to send a specific one as well as one other the publisher considers the best from the whole year.

SCHOLARSHIPS, BURSARIES AND AWARDS were presented to winning students of last year at a general assembly at the High School auditorium last Friday afternoon. Introductions and explanations of the awards were made by Principal M. D. Meade. Standing there are representatives of firms, businesses and organizations who made presentations. Seated are the students who won awards. Left to right from row are: Mrs. Wm. L.

hardy who accepted awards on behalf of her brother Jack Marshall, Mrs. A. L. Wilson, Rosalie Pinkie, Juliana Marrett, Wm. L. L. Robinson, Karen Fushman, Ellen Tress, Mary Jane Robinson, Barbara Marshall, Mrs. Lloyd Bennett, Bert Kuffer, Walter Foster, Bruce Mahon, Ted Hilder, Mrs. Rita Perkins, Mrs. Elsie Lawson and Mrs. Marion Falk.

How does Canada's success car outdo itself for '65?
beautifully...just beautifully

A GENERAL MOTORS VALUE Performance Custom Sport Coupe

Performance Custom Sport Coupe

The 1965 Pontiac is new. Completely new. It's excitingly longer and wider. Dramatically sleek and low, with a breathtaking beauty that promises advancement in every way. Pontiac '65 has a perimeter frame. It's roomier and quieter than ever. There's a new wider track that gives 1-inch design as a truck stability: new, snug

handling and a smooth, comfortable ride. What else is new for '65? Look. Fashion styled fabrics and spacious interiors. Thoughtfully improved convenience features. Curved side windows. Low profile tires. Wipers and front bumper. Plus a host of other good things that make Pontiac the car to be seen in for 1965.

DID YOU KNOW THAT...

THE TAR SANDS OF
ATHABASCA HOLD ENOUGH
PETROLEUM TO LAST CANADA
FOR ALMOST 1000 YEARS

Alberta's Athabasca tar sands are estimated to contain more than 300,000,000,000 barrels of recoverable oil. In partnership with other companies, Imperial is working on methods to produce oil from these sands.

Imperial Oil has invested more than 400,000,000 ADAM IN ALBERTA - EVERY DAY FOR THE PAST 15 YEARS!

Imperial's capitalised exploration expenditures in Alberta totalled more than \$500,000,000 in the period 1949 to 1963.

Imperial receives about HALF THE PUMP PRICE FOR A GALLON OF ESSO GASOLINE.

FIRST SECTION Edson, Alberta, Thursday, October 8, 1964 Vol. 21, No. 41

PIA FALL PAIR chairman, Mrs. George Cooper and Mr. Bruce Fabrian discuss some of the activities in the vegetable class with Mayor W. E. Brice. Mr. Brice and Mrs. Cooper are also members of the future ventures and speak of the possibilities for future ventures in the vegetable and grain classes, probably due in part to the fact that Saturday weather was the best that had been experienced in some time and farmers were busy trying to get their crops harvested under the advance publicity and a normal year, weather that all exhibit tables will be filled to overflowing.

Public hearing on Home and School Assn. future

At the last meeting of the Home and School Association a committee of members was appointed to investigate what changes would be necessary to revitalize the organization and to make recommendations to the next general meeting of the body.

At this meeting, after all parents and teachers a public hearing will be held on Wednesday, October 14 at 8 p.m. in the Ed. H. Public Hall.

Parents and teachers are requested to write out any suggestions or recommendations as to re-organization and present them to the committee.

Should the association be kept in new activities? What can be done to promote better community and school direction? Are you well enough informed about your child's progress in school? How can we improve the system of help?

Edson Post Office will have the usual hours for Halloween Holiday over Monday, Thursday and Friday.

The last baby will be born from 8 a.m. until 8 p.m. The public office and school will be closed all day.

Services and dispatch of mail will be carried on as usual.

Turkey shoot at Marlboro

A Thanksgiving turkey shoot will be held at Marlboro on Monday afternoon, October 12. The shoot will get on at 1 p.m. at Deer Valley on the old highway.

The shoot is put on by the Marlboro Community Association and sponsored by D. W. Miller.

It will make a pleasant way to spend part of the holiday afternoon, particularly so if the weather is as nice as it has been for the past few days.

On the other hand, if the weather doesn't turn out to be a success, the "I told you so's" will have proved to be a correct and most probably to the Marlboro community.

An appeal is made to the Marlboro community to help in any way possible to make the turkey shoot a success.

Mr. Lawrence Chapman was visiting here this week. After working at the Park Hotel during the last season, he was returned to his home in Lake of the Two Rivers.

Mr. Chapman is a member of the Marlboro Community Association and secretary of the local branch.

Enthusiasm building for Edson big three Fall Festival Days

As plans for Edson's big Fall Festival develop, enthusiasm is growing as well. The days appear to be in the mood of people enjoying the fine fall weather and still preparing for winter.

The period of good weather makes it likely that much of the big surge forward in the appearance of the Town will be substantially completed in time for the three big days Thursday, Friday and Saturday, October 22, 23 and 24.

Fitting into the expanding theme of the Fall Festival, the Town Council decided Thursday to allow last year's festival to be held on the same site as the three days. This will fit in with the activities around the Fall Festival days.

Members of one of the most popular bands to play in Edson, the Edson "Scotties" have agreed to play around town under the auspices of Chamber of Commerce members.

Valuable prizes in the form of franchise rights are being provided for a successful contestant in the "POT OF GOLD" contest. The prize money will be distributed on the performance of the band.

At the home end of the town, the "LOG SAWING" will be held at 8 p.m. Saturday, October 24. The whole of the town will be invited to the event.

Editorial

IT IS AN IMPORTANT ISSUE

We have been hearing from all quarters for months that Parliament has been waiting its time on deciding the flag we should fly. While the time may or may not have been wanted, the issue of a flag is an important one to many people.

It becomes increasingly clear that somewhere near half of the people of Canada are in favor of some modification to the Red Ensign. It is also clear that most of our complaints in Quebec that the issue is an important one. People with historic convictions with the flag have been heard, but as yet no consensus as to whether it is important or not.

The most telling argument in favor of some recognition of the flag has been made by such distinguished Canadians as Michael Rieff, former minister of labor in the (Macdonald) cabinet. He, of all Canadians, is in a position to know that the issue of the flag is important. He has been heard, but as yet no consensus as to whether it is important or not.

We have favored a plebiscite all along in the sense that it is a way of establishing the feelings of Canadians. It is a way of establishing the feelings of Canadians. It is a way of establishing the feelings of Canadians. It is a way of establishing the feelings of Canadians.

In Alberta for instance our provincial government has insisted on giving the Canadian flag from all its buildings. There is no defense for this in our opinion. The Union Jack is the flag of the United Kingdom. However it does indicate that the flag is the choice of the Government in its proceedings, which certainly has the confidence of the people of Alberta.

There is no representative on the flag committee from Alberta. Of the 15 members named, Newfoundland, N.S., Ontario, neither New Brunswick, nor Prince Edward Island are represented, while New Brunswick has two members. Western Canada is represented with five from B.C. and one each from Saskatchewan and Manitoba. There are four from Ontario and Quebec.

If the committee members are fair minded men, and there is no reason to think they are not — as yet, there will be no problem. But again we leave that to be considered separately to the West is being decided by a majority of Eastern men. We hope they have the wisdom of Solomon.

REAL ACTION

Crises of lack of progress in the House of Commons can give one the feeling that the current session is to provide for the renewal of the office of the House of Commons. It is a crisis in the House of Commons.

Mac, MacPhee was the first woman speaker of Parliament. She was an effective speaker and should be a woman's contribution to history. Perhaps she is remembered for her own unsavory actions and the training of school children.

The Intimidation, in an article headed "Husky Planning Time" states that the deadline for planning of winter hockey has almost come and gone, and no planning has yet been done. It claims that it is a lot more time to have much successful hockey planning can be done while the caretaker is preparing the way.

FF VISITORS Businesses join in presenting attraction bargains

As the week of the Edson Fall Festival gets under way the fever of sales, bargains, fun and frolic becomes very evident. The store windows are filling up with buyers attracted attention to the discounts and trading great bargains.

With the highway looking closer to completion and sidewalks a pleasure to walk down, combined with the wonderful fall weather, the window shoppers, sidewalk superintendents are greeting everyone with an air of delight.

The ribbon cutting ceremony scheduled for 1:30 p.m. on Saturday will mark another great step forward in the history of Edson.

The Pot of Gold contest is getting momentum as it goes in with the other sales and gifts, offered by merchants. Topping the list of incentives for the shoppers will be the one year's supply of groceries from Brundage's Food Market.

To enter the Pot of Gold, a cash bonus for shopping in the Edson stores, the cash bonus cash event will be displayed in restaurants located around the town, open with the first draw being made at the Legion Men on Saturday night. Three prizes will total \$75.00 to cover lunch cash receipt holders.

Arriving on an idea to add to the fun will be a new drawing booth. This will give the shoppers a chance to win prizes.

Children are urged to get their names in for the Homecoming contest which will be held at the fair on Saturday night. The contest will be a drawing of a new car.

OUT OF KEEPING WITH Edson's "Big Leap Forward" this year is this picture. Edson has increased its appearance to an extent that is almost incredible in some ways. The new city was struck this week when young vandals, (nearly they must be young)

and (unthinking) broke up a black flower wall at the town's flower wall. The act is out of keeping with Edson's who take a pride in their town. We hope the culprits who read this are truly ashamed.

Edmonton Scotties to be here Friday

The Edmonton Scotties, well known to the Edson area for their past musical engagements, will be starting out of town again on Friday evening. Their first musical stop will be at the new 700

Nine o'clock shopping for three FF days

Another little extra to accommodate the Fall Festival shoppers will be the nine o'clock shopping hours for three days, Thursday, Friday and Saturday, October 22 - 24.

With shopping hours and the 9 p.m. cash evening at the fall out of town shopping will have a greater opportunity to browse and take advantage of the many bargains.

Cabaret Fall Festival Style

Don't wear your best night dress but just come and enjoy yourself at the cabaret style dance on Friday night at the Edson hall.

The dress is optional but if you feel like it, wear it. The dance will be held at the Edson hall.

An evening of fun is planned with the Scotties starting at 8 p.m. and ending at 11 p.m. and good music.

 proudly presents

David Kilford

of Sherwood Park

AN ALBERTA JUNIOR CITIZEN OF THE YEAR

It was early Spring - pussywillow time - and David and his three friends wanted to surprise their mothers with bouquets of these early spring blooms. Suddenly there was a cry for help! One of the children, Gloria Summers, had slipped into the icy water of a partly frozen tapon. Her brother Patrick jumped in but was unable to reach his sister. Quickly, 10-year old David lay down on the ice, while a courageous friend Jonathan Rogers grabbed his ankles. Thanks to this "human chain", David was able to reach and rescue his two friends. We congratulate David Kilford, who is also an active club member. We also congratulate Jonathan Rogers for his part in the heroic rescue, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to T. W. Post, Editor of the Edmonton Sun, and to David's captulator Mrs. John Ball of Sherwood Park.

came to here I had a headache.

Oh, it isn't bad," was the
return reply. "You got
one."

The two visitors hurried
toward their way into the
empty office in the dark of
night. One held a pocket
flashlight while the other ex-
posedly brushed the lamp, vainly
looking for the click of the lamp
switch.

"Presently came a voice.

"Yes, I was (cough-
ed)."

An old maid, shocked at the
sarcasm of some schoolgirls,
glared at the forlorn. "The
sarcasm, please, to inquire
into the matter, and reflect
one of the most witty."

"What's all this about pre-
sent day?" he demanded.

"Why, how, replied Joe,
the distributor. "It's nothing
at all. Mr. and Mrs. Smith was
working there, safe by side,
and I accidentally let me get

FIRST SECTION Edison, Alberta, Thursday, October 29, 1964 V. 11, No. 44

Baby saved as district home burns to the ground

An Edison district family lost their home and all their belongings last Thursday afternoon when fire swept a three-story company house at Broad Street and the bridge on the Cold River.

Mrs. Jack Shady was taking the fire to prepare supper after her family returned from school. She had provided some dried food in the store and was lighting it when it exploded and the kitchen caught fire.

One of the Shady children, Mrs. Shady's son, Jack, aged seven, was in the kitchen at the time Mrs. Shady rushed to the children's room and awakened her. (The baby was in the first room. The two oldest boys, James 11 and Charles 17, with Mr. MacDonald, rushed to break the window in the bedroom to rescue the baby.)

It was Charles who brought the seven-month-old baby out of the burning house. Mr. MacDonald had become stuck in the broken window and was pulled in safety by James, another before the flames spread into flames.

Charles was later treated for 2nd degree burns from when he shouldered.

The Shady's were left with nothing but the clothes they wore when the fire swept through the house. The clothes were saved in a pile of clothing, but much is needed to give them a start.

At present the children are happy.

entered about in various homes. Mrs. Shady and some of the younger children are staying with Mr. and Mrs. John Water. Mrs. Shady's sister and brother-in-law.

Mrs. Shady said the man at the time the fire broke out said the house was not that big a fire.

Working toward this end year Leader Staff plan to more printing on Friday and Thursday of each week.

At printing of the first half of the paper will be done on Monday afternoon, 2nd dinner at Monday for and also will have to do.

If possible correspondents are asked to try and have any items in before the weekend for publication of the up-coming issue.

Entries welcomed for talent show

The Edison & of 1 are not missing entries from the area for their District Talent Show being held Friday, November 5 in the Athabasca Valley Hotel.

This has become an annual event offering a good representation from Jasper, Banff, and Hinton. It has been directed to give young people the opportunity to display their talents to public.

Professional entertainers are also invited to bring and to enter and provide music for the dance held in conjunction with the show.

Entries are now being accepted in person by phone and in person by Bill (over) and in person by Jim (over) with them.

LEADER COMING OUT EARLIER

Readers and advertisers have indicated since last week that they like the idea of their house (this paper) coming out earlier in the week.

C.J. 1815 is RED RIBBON stretched across the intersection of 4th and Main, the climax of Edison Fall Festival days and an unforgettable version of street and sidewalk parties for Edison. While some through Edison at 4th Avenue, the Ribbon had only 100 ft. away on the Main Norman Williams, Edison's M.A. cut the symbolic ribbon at 120 Saturday afternoon. Looking on are C.J. 1815, President James Griffiths (left) and Mayor W. R. on both sides of the highway, but Edison Town proved to be a block on 1st and two blocks on 7th this year. As well as under the Alberta Department of Highways built the roadway and curbside through town without direct cost to local taxpayers.

CALGARY POWER LTD.
proudly presents
Philip Moncrieff
of Cayley

AN ALBERTA JUNIOR CITIZEN OF THE YEAR

Philip won his award for his many years of quiet courage. His young brother Larry is a cripple, needing constant care and attention. For over ten years, Philip, now fifteen years old, has put Larry's interests ahead of his own. He is Larry's constant companion and helper, showing commendable patience and understanding. For example, each day he helps Larry to dress, walks with him to and from school, and takes the time to be sure that Larry is warmly dressed for the walk home, that his coat is buttoned, his overcoat done up.

Philip's own interests, his own friends, his own fun take second place - he puts Larry first.

We congratulate Philip, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizens of the Year program sponsored by Alberta's investor owned electric utility companies.

Edson youngsters to canvass for UNICEF funds

The Edson Ministerial Association, have invited a group of youngsters to take charge of the UNICEF (United Nations Children's Emergency Fund) canvass this Saturday.

The youngsters, in grade one to grade six, will be going door to door in the area around the church and will be carrying UNICEF literature and asking for contributions. A few pennies or a small amount of money will be accepted and assistance in other countries.

This is one way in which Edson children can help in the fight against poverty and disease in other countries.

The youngsters will be accompanied by their parents and will be carrying UNICEF literature and asking for contributions.

Lucky camping outfit winner

Mr. Archie Clark was the lucky camper who won the camping outfit raffish by the Edson Y.M.C.A. last week.

The drawing, scheduled for Saturday, was held at the Y.M.C.A. and was won by Mr. Archie Clark.

The prize consists of a camping outfit, including a tent, sleeping bags, and other camping gear.

FIRST EDITION Edson, Alberta, Thursday, November 4, 1964 Vol. 9, No. 45

District Remembrance Service being arranged by Edson Legion

The annual service of Remembrance will be held at 10:45 in the Edson Legion Hall on Wednesday, November 11th, under the auspices of the Edson Branch of the Royal Canadian Legion.

The parade will be 10:15 sharp as in previous years. It is hoped to have the gathering on that day well before the traditional two minutes of silence of the seventh month.

The Rev. Canon H. D. Dwyer, of St. Catherine's Anglican Church, will be in charge of the service. A choir from the church is being arranged.

The parade will consist of members of the Royal Canadian Mounted Police, the Legion sponsored Army Band, the Edson band, Legionnaires and members of the I. O. O. F. Auxiliary.

An armistice or truce made to have Mayor W. H. Brundage and members of the R.C.M.P. lay wreaths at the cenotaph on the Legion grounds. Following the ceremony a social evening will be held at the Legion to remember the remembrance of the veterans who have passed on.

Due to space limitations that room facilities during the day will be restricted to members.

HONOUR THEIR MEMORY WITH A POPPY

Remembrance Day

Three weeks apart this day we pause to honour the past. The wife of the man who died in the war. The father remembers the son for whom he had great things in store. And many look back and remember old pals. The ones who didn't come through.

The lives they gave were precious lives that brought our liberty. And these who sacrificed them knew just what it cost to keep us free. A nation remembers its dead this day, acknowledging the debt. The things that were well done and the price that was paid - we must not forget.

Fascinating hypnotism show has unusual prizes

Artists away from the really appreciate the power of hypnotism this show is a must. It is not hot stuff, although the hypnotists will be sure to take it. It is a good family entertainment and the prizes are appreciated even more by the adults than by the children.

Conducted with the show will be a brace of unusual disciplines. These are prizes that will be well received by any adventurous person.

Alma McInnes and her husband have donated three 10 minute automobile rides over the Edson area. It is something that the town and district looks from the air, and here is a chance for them to see for themselves, how the land lies around Edson.

The show will be made during the course of the evening. Be sure you don't miss the strange show of hypnotism by Alma and her husband. It is one of three out of the six necessary door prizes.

VISITOR WINS \$500

Mr. Charles McInnes, of York, Saskatchewan, while visiting with his wife and family, he and Mrs. Peter Ryan, of Edson, attended the Edson's big Fall Festival and won \$500 in the lucky draw. The money will be used for the purchase of a new car for the McInnes family.

Council splits on hearing service station application

In last week's meeting of the Edson Town Council, the application for a service station on Main Street was discussed. The council was split on the matter, with some members in favour and some in opposition.

While the council was in session, a letter from the applicant was received. The letter stated that the applicant was willing to pay for the necessary improvements to the site.

Representatives of the oil companies were present and the council was asked to consider the application. The council was split on the matter, with some members in favour and some in opposition.

The council will meet again on November 11th to consider the application. The council is expected to make a decision by that time.

Vandalism slight this Halloween

According to Police Chief John MacIntyre, there was not one case of vandalism reported on Halloween night.

Edson's young people seemed to be having fun without doing any damage to property or causing any trouble.

The council has been very satisfied with the results of the Halloween celebration. They hope to have a similar success next year.

KANGAROO COURT was behind them and this group of Grade Ten initiates were all set to have themselves a time at the Initiation Dance. Left to right are David Reibner, Louella L. Ross, Theresa Ross, Kelly Sabourin, Wayne Miller, Michelle Timpane, Tina Pindie and Sonny Luddy. (Lester Pindie)

UNICEF Hallowe'en cans and party goes well

One of the highlights of the Hallowe'en celebration was the annual UNICEF collection which this year was sponsored by the Edson Miniature Association.

The collectors were volunteers from grades 4, 5 and 6. These young people gladly gave up the opportunity to

advert treats so that they might help in this worthy effort.

After making their collections the boys and girls went in costume to the A. H. Edson home, where a party was given to a lot of fun.

More than 60 young people were in attendance. There were games, films and treats and they departed at 9 p.m. in good spirits.

The collection for the total is more than \$120.00. Any person who has donated may see their contribution in the A. H. Edson school.

Classes start for Adult Education

Adult education classes started for the season this week with the first class in music on Tuesday, November 3rd. The evening classes will continue each Tuesday evening at 7:30 in the High School.

Young classes will start next Monday, November 9 in the High School. Handwriting classes will get underway on Thursday, November 12. All classes are held in the High School and start at 7:30 in the evening.

Anyone interested in taking these classes please report at the High School at 7:30, Thursday, November 12.

1st EDITION Edson, Alberta, Thursday, November 12, 1964 Vol. 11, No. 44

District Remembrance Service Wednesday at Legion Hall

The annual service of Remembrance will be held at 10:15 in the Edson Legion Hall on Wednesday, November 11th, under the auspices of the Edson branch of the Royal Canadian Legion.

At this time for the parade will be 10:15 sharp as in previous years. It is hoped to have the gathering of about 500, well before the traditional two minutes' observance of the 60th anniversary.

The Reverend Father G. Darden of St. Catherine's Anglican Church will be in charge of the service. A choir from the church is being arranged.

The parade will consist of members of the Royal Canadian Mounted Police, the 1st Canadian Paratrooper Battalion, the Edson branch of the Royal Canadian Legion, and members of the local fire department.

Arrangements are being made to have Mayor W. H. Smith and members of the RCMP lay wreaths at the cenotaph on the Legion grounds. Following the service a social hour will be held at the Legion. Refreshments will be served to the veterans who are present.

Due to space limitations, this news feature during the day will be restricted to notices.

JIM MARR escaped with his life when his gasoline tanker truck left the road last Tuesday morning. The vehicle rolled over, leaving a large pile of gasoline on the road. MARR was already alone when the fire started and he was unable to get out of the truck. He was taken to hospital where he was treated for burns and shock. Until that time things had

happened in fact he never even realized he had been burned. The damage was not at \$10,000. The truck was a total loss and can be seen there. It was brought to Edson by Griffiths Motors. Mr. MARR was in hospital two days. The accident occurred about 12 miles west of Edson on Highway 16. It was investigated by the RCMP Highway Patrol.

Alberta Insurance Agents want legislation changes

Edson insurance agent Jack Phillips was elected a director of the 34th member Insurance Agents Association of Alberta last week at Calgary. This is the first time a director from the north has been elected to the association.

AARN duties

The last meeting of the Edson Chapter AARN was held at the hospital on October 27th. Twenty-two nurses and seven doctors were present to hear Mrs. Doris Price and Miss Lou Stares of the provincial office.

Great enthusiasm was shown by the ladies in the speakers' office and the responsibility of the AARN Chapter.

The Chapter is getting well organized and it is hoped that active and passive nurses in the district will take the opportunity to join the organization and help themselves to any help with the fund as well as the other services in the coming year.

Edson Gas plant start set for Spring 1965

CALGARY - Hudson's Bay Oil and Gas Company Limited on behalf of the Edson Field producers announced this week that Steam-Bury Canada Ltd. has been selected as the major contractor for the construction of a gas plant.

The plant will be situated on the west side of the Edson field, in an area of about 100 acres. The plant will have a capacity of 100 million cubic feet per day of gas and 2,000 barrels per day of natural gas liquids.

Construction will commence in the Spring of 1965 for completion by Fall 1966. Applications have been made to the Oil and Gas Conservation Board for approval of the scheme to process the gas from the Edson field.

The operators in the Edson field include Alberta Energy Services Corporation, The British American Oil Company Limited, American Oil Company Limited and Corporate Limited, Canadian Petroleum Company, Canadian Petroleum Company, Canadian Petroleum Company, Canadian Petroleum Company.

Edson Gas Plant to be Canada's third largest

In terms of gas volume the gas plant to be built four miles west of Edson will be the third largest in Canada according to an article in the current issue of *Cutback* of Calgary.

Contract for the building of the plant has been awarded to Stearns-Roger Canada Ltd., as announced by Western's Bay Oil and Gas Company on behalf of the field producers a couple of weeks ago.

The largest plant in Canada is the Taylor, B.C., plant of Western Transmission followed by the British-American plant at Hinton, 100 miles south east of Edson.

According to the article in *Cutback*, the plant will be a multi-million dollar project, but the cost, cost estimate. The plant will be designed to process 60 percent of the gas from the field. It is believed that the very peak production could be expected before 1970.

SLOPES FOR EXPERTS AND BEGINNERS ARE A MARMOT BASIN FEATURE

Local skiers thrilled at Marmot ski prospects

Ski enthusiasts in the area delighted in Jasper National Park are thrilled this year with the prospect of being able to nip over to the Park and get up to the fabulous Marmot basin within an hour or two.

Close to 300 skiers did just that last weekend after hearing that six inches of powder snow had made the eagerly awaited "blue" ski run available in the world.

Local skiers trying out the slopes had nothing but praise for the development company headed by Kurt Korte, of Jasper, and his associates who have made this thrilling sport available for those with only a day or two to ski at a time.

Located at a 500 foot above sea level, the Marmot basin has been skiable since November 1963. It is now skiable in the winter.

Carol Festival planned for pre-Christmas treat

A very pleasant evening will be held in the Marmot basin for the first time, it is to be reported on Tuesday, December 22 when the Marmot Festival will be held.

Wabamun power failure overcome by switching

Friday
As a result of three consecutive power failures, the Wabamun power station was forced to shut down its generating plant. The station is now operating on a limited basis, and the power supply is being maintained through interconnections with other power companies. The station is expected to be back to normal by Sunday.

Wrapped Up With
Every Gift is Something
For Yourself When You
Shop At Home

Wrapped up with every gift is something for yourself when you do your Christmas shopping in your hometown store. Part of every dollar you spend at home stays at home where it helps to build a better commonwealth.

Shopping at home stimulates local trade, employment, production, and helps to provide the money that pays the law, and makes possible the contributions that support our community facilities. Now at the time when you do the most shopping, is the time when you can do your community the most good.

FIRST SECTION Edition, Alberta, Thursday, December 10, 1964 Vol. 11, No. 50

FOLLOWING THE RECENT COLD SNAP local residents were treated to the beauty of a winter wonderland as hear frost coated trees, shrubs and fences with a sparkling cover. In spite of the unwar-

Legion mortgage burning evening well attended

"I now declare, before this cloud of witnesses, this pesky mortgage completely and irrevocably eradicated from the face of the earth, no longer able to dog the footsteps and haunt the dreams of the members of the three organizations of the Royal Canadian Legion in Edson", said longtime member and secretary George M. Maclean of the Edson Legion Branch No. 81 Friday evening.

The occasion was a special evening to observe a burning of the mortgage ceremony. The mortgage represented a refinancing of the major portion of the debt incurred in building a hall and club rooms following a fire which destroyed the original Legion in January 1932.

Members of the Legion, the Ladies Auxiliary to the Legion, wives and husbands gathered at the city hall on December 4 to mark the milestone in the life of a new organization in Idaho. Prominent officials from the Legion, the Hon. Norman Willmore and Mayor W. R. Brunelle were guests at the banquet and social evening.

townmaster, recalled a plan and volunteer work that had gone into the building through the years.

Yergall I. McLeod gave the toast to the Ladies Auxiliary, which was sponsored by the group.

An inspirational address was given by Dr. W. H. Wilson, 1st Vice-President of Provincial Command (United States) and President of W. Gordon installed J. Walker, president with Dr. Wilson as officers.

Hunting season not without casualties

The accident occurred about 27 miles north of Edison in a area that was overrun with hunters for the last weekend of the season.

A 76-year-old man from Westlock, Mr. William Gagnon, died of a heart attack while hunting on November 20th. Mr. Gagnon was walking in the bush about 25 miles north east of Edmonton when he collapsed and died.

Teacher resigns after complaints

The resignation of a teacher, G. Lane of Junior Junior High was submitted to Edison School Division this week.

The action followed complaints on the severity of the teacher's disciplinary action with at least two pupils at the school. Mr. Lane joined the staff here at the beginning of the term.

Gas Trunk to start line in January

The 24 million dollar line will start about 172 miles with the north section expected to start early in January and completed by Sept. 15.

About 500 to 600 men are expected to be employed on the project. No announcement was made as to the number who would be employed from the Edison end of the line.

Alberta's Trans Link Company has operated out of Edmonton for a number of years and have paid office and warehouse rent on Bow and Avenue St.

The 20-inch diameter line from Calgary, 35 miles north of Calgary, to the gas field, will link up northern lines of the company's pipeline system and deliver gas to the Calgary area.

A spokesman for Trans Canada, a spokesman for Trans Canada, said the company will supply gas to the Alberta Refiners Association for the American market.

The line would run west of the company's present 10-inch line to the American market.

All of the required pipe will be supplied by Alberta mills.

A report received from W. B. Jackson, Area Manager of Trans Canada, said that the company has been asked to leave the contract by the Calgary Refiners Association.

The company will supply gas to the Alberta Refiners Association for the American market.

Council says thanks for citizens to Province

A vote of thanks to the officials of the Department of Highways was passed at the regular meeting of the Edson Council on Tuesday, Dec. 1.

The satisfaction expressed was for the reconstruction of Highway 16 (4th Avenue) through Town during the summer and fall. A special note was made of the co-operative relationship between the resident engineer and the department's staff during the period of construction.

The Provincial Government rebuilt and widened the roadway, constructed curbs and gutters and supplied hot mix for the sidewalks which were built by town crews.

MARLBORO NEWS

Well, for back after a short stay in the hospital, Mary Ann moved the news for all the folks to hear.

First I want to thank the doctors, nurses, and staff who were so kind to me. Thank you for the care and attention you gave me. I am feeling much better now.

Next, I want to thank the friends who came to see me. Your visits and letters were a great comfort to me. I am feeling much better now.

Finally, I want to thank the family for the love and support they have given me. I am feeling much better now.

Move Over Follow Skunk

By FRANK KEE

Know something? Having recently read an article on "Skunk" in the Edson Leader, I was reminded of a skunk I once saw in the wild. It was a very interesting experience.

I was out for a walk in the woods one day when I saw a skunk. It was very close to me, and I was very nervous. I tried to move over, but the skunk followed me. I was very lucky to escape.

District family loses oil in fire

A large family, Mr. and Mrs. Arthur Hill and six children, were left destitute last week following a fire that swept their home.

They are living in the four-room house on the corner of 10th and 10th St. The house is in a poor state of repair and the family is in need of help.

There are five children, a 10-year-old boy in working clothes and a 12-year-old boy in a suit. There are also two girls, a 10-year-old and a 12-year-old.

Donations may be left for them at the home of Mrs. Hill, 10th and 10th St. They are in need of food, clothing, and bedding, and household equipment.

City "Poverty" headline stirs up Edson reaction

An unfortunate headline in Friday night's Edmon Journal raised a reaction among Edson people. The headline "Edson: A City of Poverty" in large type appeared on the front page.

A meeting was called by Mayor W. R. Brunelle with Town Councillors and members of Edson's Chamber of Commerce attending. The upshot of the meeting was that a telegram was dispatched to the Journal and other news media in the city denying that poverty had been the guiding factor in the ARDA survey.

The story on the survey by the Agricultural Rehabilitation and Development Administration was considered reasonably factual but the implication of the headline's wording caused a reaction in Edson. At the time when the economy seems to be breaking down with its own and oil development.

In his statement to the press, Mayor Brunelle said that the headline was a distortion of the facts. He said that the headline was a distortion of the facts.

Griffiths Motors staff enjoy Christmas party

It may not be for the car-priekers, but the Griffiths Motors staff enjoyed a very festive Christmas party last night. The party was held at the Griffiths Motors building, 1000 10th St. S.W., and was attended by the Griffiths Motors staff and their families. The party was a great success and everyone had a good time.

Carrot Creek District News

BY JERRY SHAW
From Walker, B.C., Mr. Shaw writes the information that Mr. C. Atkinson had been the victim of a sudden heart attack at the age of sixty-four. Mr. Atkinson was in Carrot Creek from his home in the town of Salmon. He was farming in the district, he worked at Carrot Creek and his home. Mr. Atkinson said his farm and moved back to C.B. in the late thirties.
Mr. and Mrs. D. Patten were Salmon station last week and, as very Mr. C. Atkinson, Mrs. W. H. Atkinson, Mr. and Mrs. H. Atkinson and Mrs. D. Atkinson.
The Carrot Creek W.L. held their annual meeting and Christmas party at the home of Mrs. C. Atkinson on December 11th. All in all it was a good meeting and a good party.
Congratulations to Mr. and Mrs. C. Atkinson who have been forty years married on the sixteenth of December. Birthday greetings are extended to Mrs. C. Atkinson too this week.

Surprise birthday party

The birthday afternoon December 20th passed so quickly for the birthday boy, Mr. A. W. Wyszewski, who celebrated his 77th birthday.

It was a surprise party held at the home of Mrs. A. Wyszewski, her sister, Mrs. Wyszewski, who presided over the party.

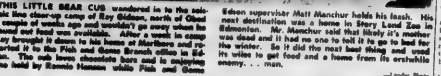

Phone calls were received from friends and relatives, and a large number of guests attended the party.

After singing rondo a buffet style lunch was served. A very happy thank you to all who made the party a success.

MENTAL ILLNESS

Mental illness is much like other illnesses, in that earlier treatment, will greatly improve chances of recovery. Mental problems can be dealt with in a variety of ways.

The golf course was playing a short hole. Cassidy, he said, he was up with his iron, swung his arms and then with a professional swing, he hit the ball. It hit the tree, bounced off and he was out of the hole. He was out of the hole. He was out of the hole.

THIS LITTLE BEAR CUB wandered in to the salmon line closer-up camp of Ray Gidson, north of Okeana a couple of weeks ago and wouldn't go away when it found out food was available. Take Time to Be Safe

BY C. TOOMEY
Short days and long periods of darkness combine to make the Christmas holiday season most perilous time of the year.

Hazards are intensified by sleepy shoppers and the increased number of vehicles. There are some tips for both motorists and pedestrians. Motorists should:

1. Use slow and low from the moment of your start to the moment of your stop. Your feet won't slip off the gas or brake pedal as they do when you're in a hurry.

2. Drive at reduced speed. You can't see as far as in the daytime. Be sure you can stop in the distance you can see.

3. Apply brakes slowly to avoid skidding. Pump them lightly so that wheels don't lock.

4. Avoid following other cars too closely. Your windshield may be dirty as well as faded over time, thus adding to the danger of following too closely.

5. Take time to clean your windshield thoroughly before attempting to move your car. Your view may be obscured by snow or ice on the outside of the glass.

6. Use the "look back" rule when you change lanes. Look back over your shoulder to see if anyone is following you.

7. Avoid driving after drinking. Your reaction time is slowed down and your judgment is impaired.

8. Use extra caution when driving through snow, ice, or slush. Your tires have less grip and your car may skid.

9. Use extra caution when driving through traffic. Pedestrians may not see you as easily as in the daytime.

10. Use extra caution when driving through traffic. Pedestrians may not see you as easily as in the daytime.

THOUGHTS THAT LINGER AT CHRISTMAS

—Lester Potts

It is so easy to be generous at Christmas. For the Gospel's sake, we discipline our appetites and expectations, to let love rule in to reach men with the Gospel.

A loving consideration — our love being shed abroad — is to be welcome at Christmas. For the Gospel's sake, we discipline our appetites and expectations, to let love rule in to reach men with the Gospel.

CHRISTMAS AND HUMAN NATURE

(By the late Charles L. Willis — Staffer Independent)

Just a few hours around Christmas, the harsh mechanism of the world runs down. We keep it running full blast throughout the year. We have everything busy, doing our innumerable tasks for twelve hours we let the machine run down and we erect a "holiday of goodwill."

We begin to feel like old-time slaves when we are released. We begin to feel that our husbands and our wives, our boys and even our governments are not to lead after all. We turn over our stock of kindnesses several times during the day and we feel all the better for it. In fact we feel just in time when we have the Christmas spirit at least once a month instead of once a year.

The breaking of this article is Christmas and human nature, and the reason why we feel that Christmas feeling often that it is all of us. The human mind is capable at present of only so much goodness and after we have reached the limit we react against more goodness. That of us we are aware of going to heaven and spending the future in shining terms with the angels, as we would be hard to death. Most of us want to get our wish against other people, not the better death, but our temporary occasionally and to be charitable and cranks at the proper times. That is the way we exist in the world.

Christmas replied: "Every mother has her holiday, one of which will know taking hold of the other one. If the brother in question is not content then, for by his hands the matter will and have taking hold of that rather for kind of it by this, that he be the brother and the brother; and then will be the mother."

A parrot has recently announced that there are 720 million people on the planet, but that only 100 million are happy. The parrot is right. The rest are miserable.

What about some of that twilight sleep I've heard of? "Oh, that's only for labour," replied the doctor. "Good heavens, haven't you got something for mankind?"

A hard-boiled businessman said to his wife: "I am a pessimist. I am for sleeping pills, but I do not believe in the use of alcohol."

"What about some of that twilight sleep I've heard of?" "Oh, that's only for labour," replied the doctor. "Good heavens, haven't you got something for mankind?"

"When they see the star, they rejoiced with exceeding great joy." May the radiance of Christmas shine upon you in upon the Way Men of your.

We celebrate Christmas because it is the day of "universal" good will — the day when we forget the selfishness of the past and the selfishness of the future. We begin to feel like old-time slaves when we are released. We begin to feel that our husbands and our wives, our boys and even our governments are not to lead after all. We turn over our stock of kindnesses several times during the day and we feel all the better for it.
